Subject: Key West Planning board

I support the proposed backyard changes at 815 Whitehead Street. Dave and Leslee are my next door neighbors and I can understand their need and desire for these changes. If you sit on the front porch on Whitehead street after 9am, you become a display for picture taking or a nonstop information booth. It's just too busy, noisy and no privacy. The backyard is our only sanctuary. Please take these reasons into consideration.

To The Key West Planning Board

Hello,

My name is Denise Roberts and I own the property located at 819 Whitehead Street, Key West, Florida. I am writing in reference to the variance being requested by David and Leslee Amendt of 815 Whitehead Street. David and Leslee are responsible and concerned residents of Key West. The changes they are requesting would improve their property, therefore helping the values of the neighbors around them. I support approving their variance.

Thanks,

Denise Roberts

To whom it may concern,

My name is Todd Santoro and I own the property situated at 818 Whitehead St #4 Key West, FL 33040. Dave and Leslee closed on their home just about the same time I did and we met while moving in. They have been a great addition to the neighborhood and are very nice neighbors to have. I understand that they would like to do some work in their back yard by adding a pool. I have a pool and believe everyone almost needs a pool in this environment. I have no problem whatsoever by them adding a pool to their beautiful home.

Cheers,

To the Key West Planning Board,

This is Colette Wik at 810 Whitehead St and Dave and Leslie are great neighbors. I totally approve of their request for the variance proposal for their backyard.

Sincerely,
