December 13th, 2017

Planning Director City of Key West PO Box 1409 Key West, Florida 33040

RE:

**DEVELOPMENT REVIEW COMMITTEE** 

KEYS ENERGY SERVICES COMMENTS FOR MEETING OF DECEMBER 14, 2017

## Dear Planning Director:

Keys Energy Services (KEYS) received the Development Review Committee Agenda for December 14<sup>th</sup>, 2017. KEYS reviewed the items that will be discussed at the City's Development Review Committee meeting.

## Below are KEYS' comments:

LOCATION:

800 Fleming Street – Easement

COMMENT:

KEYS has no objection to the easement request.

LOCATION:

529 Whitehead Street - Amendment to Conditional Use

COMMENT:

KEYS has no objection to the amendment to the conditional use for a hot yoga

studio.

LOCATION:

2600 N. Roosevelt Blvd – Major Development Plan & Conditional Use

**COMMENT:** 

KEYS does have a high voltage system servicing this property. The 500 KVA 277/480 secondary voltage transformer is located on the west side of the existing building. The applicant will need to have a new electric service to come from the existing transformer. The applicant will need to provide KEYS with a project review form for the new and existing road. This will ensure that the transformer is adequate in size for the existing and new loads.

Thank you for giving KEYS the opportunity to participate in the City's review process. If you have any questions, please call me at 305.295.1055.

Best Regards,

Matthew Alfonso
