NARRATIVE

**REPORTING OFFICER NARRATIVE***Key West Police Department*

Victim <i>Society</i>	Offense <i>RESIST ARREST / ESCAPE</i>	OCA <i>17-005024</i> Date / Time Reported <i>Sat 10/14/2017 01:43</i>
--------------------------	--	--

On 10/14/2017, at approximately 0143 hours, I responded to 916 Elizabeth St. in reference to a physical altercation between two males.

Upon arrival, I met with Misty (person who reported incident). Misty said she was in her hotel room when her male friend came home after a night of drinking. Misty said she witnessed her friend and another white male (later identified as Branden Smith) were engaged in a verbal argument in front of the hotel room. Misty said there wasn't any physical touching between her friend and Branden. Misty said she observed Branden to have one of his hands wrapped in some sort of towel because it was bleeding. Misty said Branden was bleeding from his hand before the argument with her friend. Misty said Branden was acting very aggressive and erratic towards them. Misty said Branden left when she told him that she was calling the police. Misty said as Branden walked away, he was yelling and screaming at people passing by.

Officer Tellier, Officer Dehanas and I looked for Branden in the surrounding area. Officer Dehanas located Branden in front of 920 Catherine St.

I arrived at 920 Catherine St. and observed Branden on the front porch pacing and yelling for Officer Dehanas to "Shoot me". Officer Tellier and I tried to talk to Branden and get him to come off of the porch. The more we spoke to Branden, the more he got irritated. Branden pounded on the door to the home several times, then started speaking gibberish. Branden continued to yell, pace and tell us to shoot him. Officer Tellier pulled his Taser and ordered Branden to come off of the porch. Branden made aggressive movements by clenching his fists and posturing up towards Officer Tellier. Branden tried to grab the Taser out of Officer Tellier's hand. That is when Officer Tellier Tased Branden. Branden then clenched and as the Taser was cycling tried to pull out the Probes that were stuck in his chest.

I observed the Taser cycling, so I grabbed Branden and pushed him against the front door of the home and then Branden and I fell to the ground. Branden was still trying to get up. I used loud verbal commands for Branden to "give me your hands". Branden continued to resist by pulling away from me and not giving me his hands. Officer Tellier then drive stunned Branden. Officer Dehanas and I put hand cuffs on Branden and took him into custody.

Rescue showed up on scene and evaluated Branden. Branden had a small laceration to his forehead and was bleeding from his hands. Rescue transported Branden to Lower Keys Medical Center. Due to Branden's high heart rate, Lower Keys had to do full examination on Branden. I issued Branden a Notice To Appear.

Officer Dehanas had a Carl Weiner riding along with him. Weiner provided a sworn written statement.

Have no further information at the time of this incident. ///END OF REPORT///

On 10/14/17, at approximately 0143hrs, I (Ofc. DeHanas) responded to a report of a physical disturbance at 916 Elizabeth St. (Chelsea House).

Key West Police Department Communications (COMM1) advised the following over channel one: the suspect left the scene and was possibly walking outbound (east) on Truman Ave. The suspect was a white male, wearing a long, camouflage shirt.

As I was driving around, I heard a scream. I saw a white male (Branden), with no shirt on near the 900 Block of Catherine St. Branden was walking east on Catherine St. toward my patrol car and had a light colored, pattern shirt hanging on his left shoulder. I got out of my patrol car and he told me "What's up, you gonna kill me?", and kept walking east on Catherine St. I told Branden to stop several times and he kept walking east on Catherine St. Branden kept asking me if I was going to kill him and kept repeating, "kill me" as he continued to walk. I told Branden that no one was going to kill him. I told Branden to sit down and continued to walk away from me. Branden jumped over the fence at 920 Catherine St. As Branden jumped over the fence, he tripped/stumbled and fell to the ground. Once Branden got up, he asked me if I was going to "kill him".

Branden kept asking if I was going to shoot him and kept telling me that he "didn't do anything wrong". I told Branden that no one said he did anything wrong. Branden started to knock on the door of 920 Catherine St. Ofc. Tellier asked Branden if he was going to get off the porch. Branden continued to disobey simple verbal commands. Ofc. Tellier displayed his taser, pointed it at Branden and told him to sit on the ground. Branden tried to grab the end of Ofc. Tellier's taser. Ofc. Tellier tased Branden. Ofc. Gillespie grabbed Branden and took him to the ground. I put handcuffs on Branden.

Rescue came to the scene to medically clear Branden.

Carl H. Weiner, who was participating in the Ride-A-Long program, completed a witness statement. I gave the signed witness statement to Ofc. Gillespie.

My body worn camera was activated during this incident. I later uploaded my BWC footage onto the Key West Police Department COBAN Server.

On 10/14/2017 at 0143 hours I, (Ofc. J. Tellier) was dispatched to the corner of Truman Ave and Elizabeth Street in reference to a trespasser. The caller stated a while male (who was wearing a camo shirt) was fighting with people on the property.

Upon my arrival, Ofc. Gillespie was already on scene and speaking with the reporting person. She stated the trespasser (later identified as Branden Smith) had already left the area, and that the fight was a verbal argument.

A white male on a scooter rode up to the scene, and told me that Smith was a few blocks away stumbling down the street trying to antagonize motorists into fighting him. Ofc. Gillespie, Ofc. Dehanas, and I searched the area for Smith.

Ofc. Dehanas aired over channel one that he located Smith on the 900 Block of Catherine Street. I drove to the location (920 Catherine Street). Smith was standing on the porch of this address, shirtless, demanding we shoot him. He was sweating heavily, pacing pack and forth. I asked him what his name was and he stated it was Tony Montana (scarface). Ofc. Gillespie was on scene by this time. We each took turns trying to build a repor with Smith so we could calm him down, and get him to comply with our simple orders (get off the porch, and sit down). I walked towards him and tried to get him to walk out to the street with us. As I was speaking to him, Smith was rolling his shoulder, stepping side to side, and balling his fists up (Posturing).

Judging by his current demeanor and actions, Branden Smith needed to be taken into protective custody as a Marchman. This was the third location where an incident occurred from his level of impairment. We had been asking him to step out onto the street and talk to us, but he refused. I walked onto the porch, unholstered my taser turned it on, pointed it to his chest, and ordered him to sit down. I ordered him three time to sit down. I tried to grab his right bicep to guide him towards the street and he pulled away. With his left hand, Smith reached out and tried to grab my taser. I took a step back and fired my taser with two probes hitting Smith in the stomach. He winced in pain but did not fall to the floor.

Ofc. Gillespie grabbed Smith and wrestled him to the ground. Smith was still actively trying to resist our efforts to handcuff him (trying to stand up and roll onto his side), so I drive stunned him in his left shoulder. Ofc. Dehanas and Ofc. Gillespie were able to handcuff Smith. We sat Smith up and now he was calm, and compliant.

I requested a supervisor and a rescue unit be dispatched to the scene.

Smith was transported to the emergency room for having an abnormally high heart rate, and issued an NTA by Ofc.
