**Re: Resolution Supporting Students of
Marjory Stoneman Douglas H.S.**

Dear Mayor and fellow Commissioners:

It is not possible for me to be in attendance at our March 6th meeting when this Resolution will be considered. However, I believe that this Resolution is too important to wait until our next meeting when I will be able to be present and speak in behalf of the Resolution.

I would appreciate your kind consideration of the Resolution in my absence.

Thank You.

Richard Payne
