RE: City of Key West Atlantic Boulevard and White Street Intersection Right of Way:

Mr. Johnson,

Our office was engaged to perform a title search on a portion of public right of way located at the intersection of White Street and Atlantic Boulevard, located in Key West, Florida. For reference, I have attached as Exhibit A in the cross hatched depiction, the area examined, which will be referred to as the "Property". For purposes of the analysis herein, I have further cross-hatched a portion of the Property in Exhibit B which is attached hereto and incorporated herein. The area in Exhibit B represents a portion of White Street Pier which was conveyed to the City of Key West as follows pursuant to examined documents in the ordinary course of title examination:

- The United States of America conveyed any and all interest to the portion of real property depicted in Exhibit B, inclusive of the area commonly referred to as White Street Pier. This 1974 conveyance by the federal government conveyed any and all interest to the City of Key West, a copy of the conveyance is included as Exhibit C.¹
- In 1991 the Florida Department of Transportation assigned and conveyed its rights, title and interest to the real property depicted in Exhibit B to Monroe County, Florida who immediately thereafter conveyed all of its rights, title and interest in the real property depicted in Exhibit B to the City of Key West, Florida. The conveyance documents referenced in this paragraph, are attached as composite Exhibit D.

As to the remaining portion of the Property, based upon information provided by Monroe County, the Property was transferred from the Florida Department of Revenue to Monroe County. Attached as Exhibit E is the State Secondary Road System Maintenance Agreement ("Road Agreement"). The reference in the exhibit to the Road Agreement to "Streets in Key West" is the purported description which would encompass the road ways which are part of the Property.

The undersigned has not located any documents transferring the road maintenance and ownership from the County to the City of Key West, however it is the undersigned's understanding based on discussions with

¹ The property conveyed in this document conveyed roughly 6 acres of land in the White Street Pier vicinity, including certain portions of land commonly known as Astro City Park and the White Street Pier Dog Park.

government officials, that the County at some point following the 1973 FDOT transfer to the County evidenced in Exhibit E, conveyed its interest to the City. Such a document, if in existence would be outside the customary chain of title² documentation and therefore from the records obtainable at present time, apparent title to the remainder of the Property is vested with Monroe County.

It is the undersigned's understanding that the City of Key West is desirous of taking title to the subject Property and therefore if the chain of title as set forth in the ordinary course of title examination depicts Monroe County Ownership, then to properly reflect the chain of title, a quit claim deed should be executed by Monroe County, in favor of the City of Key West.

For informational purposes only, during the course of examination of public records, an easement in favor of the City of Key West, recorded in Official Records. Book 167, Page 327 Public Records of Monroe County, Florida, a copy of which is attached as Exhibit F provided for a utility easement benefiting the City of Key West. It appears such easement provided access and support to a storm water drainage easement related to White Street pier. This easement will merge with the City's fee ownership, upon title vesting in the name of the City.

Sincerely,

Gregory S. Oropeza, Esq.

QUITCLAIM DEED

FILED FOR RECORD
NOV 28 1964
U.S. DEPT. OF THE INTERIOR
RECORDS DIVISION

The UNITED STATES OF AMERICA, acting by and through the Secretary of the Interior, acting by and through the Southeast Regional Director, Bureau of Outdoor Recreation, under and pursuant to the power and authority contained in the provisions of the Federal Property and Administrative Services Act of 1949 (61 Stat. 377) as amended, and particularly as amended by Public Law 40, 91st Congress, and regulations and orders promulgated thereunder (hereinafter designated "Grantor"), for and in consideration of the perpetual use of the hereinafter described premises as and for public park and public recreation area purposes, by the City of May West, Florida (hereinafter designated "Grantee"), does hereby release and quitclaim to Grantee, and to its successors and assigns, subject to the reservations, exceptions, restrictions, conditions and covenants hereinafter expressed and set forth, all Grantor's right, title and interest in and to the property described in Exhibit A, attached hereto consisting of approximately 6.91 acres and 0.04 acre drainage easement located in Marion County, Florida.

There are excepted from this conveyance and reserved to the Grantor, and its assigns, all oil, gas, and other minerals in, under and upon the land herein conveyed, together with the rights to enter upon the land for the purpose of mining and removing the same.

This conveyance is made subject to any and all existing rights-of-way, easements and covenants and agreements affecting the above-described premises, whether or not the same now appear of record.

To Have and to Hold the hereinbefore described property, subject to the reservations, exceptions, restrictions, conditions and covenants herein expressed and set forth unto the Grantee, its successors and assigns, forever.

NE 536 NW 976

Pursuant to authority contained in the Federal Property and Administrative Services Act of 1949, as amended, and applicable rules, regulations and orders promulgated thereunder, the General Services Administration determined the property to be surplus to the needs of the United States of America and assigned the property to the Department of the Interior for further conveyance to the City of Key West, Florida.

It is agreed and understood by and between the Grantor and Grantee, and the Grantee by its acceptance of this deed, does acknowledge its understanding of the agreement, and does covenant and agree for itself, and its successors and assigns, forever, as follows:

1. This property shall be used and maintained for the public purposes for which it was conveyed in perpetuity as set forth in the program of utilization and plan contained in the application, submitted by the Grantee on July 5, 1972, which program and plan may be amended from time to time at the request of either the Grantor or Grantee, with the written concurrence of the other party, and such amendments shall be added to and become a part of the original application.

2. The Grantee shall, within 6 months of the date of the deed of conveyance, erect and maintain a permanent sign or marker near the point of principal access to the conveyed area indicating that the property is a park or recreation area and has been acquired from the Federal Government for use by the general public.

3. The property shall not be sold, leased, assigned, or otherwise disposed of except to another eligible governmental agency that the Secretary of the Interior agrees in writing can assure the continued use and maintenance of the property for public park or public

EL 536 MAR 977

recreational purposes subject to the same terms and conditions in the original instrument of conveyance. However, nothing in this provision shall preclude the Grantee from providing related recreational facilities and services compatible with the approved application, through concession agreements entered into with third parties, provided prior concurrence to such agreements be obtained in writing from the Secretary of the Interior.

4. From the date of this conveyance, the Grantee, its successors and assigns, shall submit biennial reports to the Secretary of the Interior, setting forth the use made of the property during the preceding two-year period, and other pertinent data establishing its continuous use for the purposes set forth above, for ten consecutive reports and as further determined by the Secretary of the Interior.

5. If at any time the United States of America shall determine that the premises herein conveyed, or any part thereof, are needed for the national defense, all right, title and interest in and to said premises, or part thereof determined to be necessary to such national defense, shall revert to and become the property of the United States of America.

6. As part of the consideration for this Deed, the Grantee covenants and agrees for itself, its successors and assigns, that (1) the program for or in connection with which this deed is made will be conducted in compliance with, and the Grantee, its successors and assigns, will comply with all requirements imposed by or pursuant to the regulations of the Department of the Interior as in effect on the date of this deed (43 C.F.R. Part 17) issued under the provisions of Title VI of the Civil Rights Act of 1964; (2) this covenant shall be subject in all respects to the provisions of said regulations; (3) the Grantee, its successors and assigns, will promptly take and continue to take such action as may be necessary to effectuate this covenant; (4) the United States shall have the right to seek judicial

enforcement of this covenant, and (5) the Grantee, its successors and assigns, will (a) obtain from each other person (any legal entity) who, through contractual or other arrangements with the Grantee, its successors or assigns, is authorized to provide services or benefits under said program, a written agreement pursuant to which such other person shall, with respect to the services or benefits which he is authorized to provide, undertake for himself the same obligations as those imposed upon the Grantee, its successors and assigns, by this covenant, and (b) furnish a copy of such agreement to the Secretary of the Interior, or his successor; and that this covenant shall run with the land hereby conveyed, and shall in any event, without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit of, and in favor of the Grantor and enforceable by the Grantor against the Grantee, its successors and assigns.

7. In the event there is a breach of any of the conditions and covenants herein contained by the Grantee, its successors and assigns, whether caused by the legal or other inability of the Grantee, its successors and assigns, to perform said conditions and covenants, or otherwise, all right, title and interest in and to the said premises shall revert to and become the property of the Grantor at its option, which in addition to all other remedies for such breach shall have the right of entry upon said premises, and the Grantee, its successors and assigns, shall forfeit all right, title and interest in said premises and in any and all of the tenements, hereditaments and appurtenances thereto belonging; provided, however, that the failure of the Secretary of the Department of the Interior to require in any one or more instances complete performance of any of the conditions or covenants shall not be construed as a waiver or relinquishment of such future performance, but the obligation of the Grantee, its successors and assigns, with respect to such future performance shall continue in full force and effect.

'91 AUG 29 RESOLUTION NO. 271-1991

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, AUTHORIZING THE MAYOR TO EXECUTE A QUITCLAIM DEED CONVEYING THE INTEREST OF MONROE COUNTY IN THE WHITE STREET PIER TO THE CITY OF KEY WEST.

WHEREAS, on February 25, 1991, the State of Florida Department of Transportation executed a Public Purpose Quitclaim Deed conveying property to Monroe County, and

WHEREAS, said conveyance granted to Monroe County the title to the submerged lands, sand bars, fills, islands and other land over and on the Straits of Florida, on the Southeasterly extension of White Street in the City of Key West, and thus transfers title to the County of the structure generally known as White Street Pier, and

WHEREAS, it has been determined that the City of Key West is desirous of accepting a Quitclaim Deed to said property from Monroe County, and

WHEREAS, the County has determined that continued possession and title to White Street Pier and the underlying lands, submerged or otherwise, does not further any public purpose for the County now, therefore,

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, as follows:

1. That the Mayor of the Board of County Commissioners of Monroe County, Florida, is authorized to execute a deed conveying

THIS AGREEMENT, made this 22nd day of September, 19 71, by and between the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION, an agency of the State of Florida, hereinafter called the "Department", and the COUNTY OF MONROE, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, hereinafter called the "County";

WITNESSETH:

WHEREAS, the 1971 Session of the Florida Legislature through House Bill 1681 amended Section 206.60 (2)(b), to provide for the return to the counties of that portion of the seventh cent gas tax which presently goes to the Department and assigned the responsibility for maintaining roads in the Secondary Road System to the counties; and

WHEREAS, Florida Statutes 835.041 requires that the maintenance of the roads, streets or highways and municipal connecting links constructed or reconstructed with funds accruing to the Division of Road Operations of the Department for use in the various counties from the fifth, sixth and seventh cent gasoline tax funds, shall be determined by a cooperative agreement between the boards of county commissioners and the Division of Road Operations; and

WHEREAS, the Board of County Commissioners has, by proper resolution designated the roads, highways, and municipal connecting links and extensions thereof, and city streets listed on Exhibit "A" attached hereto and made a part hereof for construction or reconstruction from gasoline tax funds accruing to the Department of Transportation under Section 9, Article 12, of the State Constitution; and

WHEREAS, the County is desirous of assuming the maintenance of all roads presently on the State Secondary System together with those roads listed on Exhibit "A" attached hereto following the completion of construction of said roads;

NOW, THEREFORE, for and in consideration of the premises and of the mutual benefits to accrue to each of the parties hereto, it is mutually agreed by and between the parties as follows:

1. Following the completion of construction of the roads listed on Exhibit "A", the Department shall remove said roads from the State Secondary System and maintenance of such roads shall be assumed by the County as a part of the County System. All other roads presently on the State Secondary System within MONROE County shall be removed from the State Secondary System by the Department on October 1, 1971, and the County shall assume maintenance thereof as a part of the County System.

2. The Department covenants and agrees that it will hold the title to the right-of-way for all secondary roads herein agreed to be maintained by the County in trust for the use and benefit of the County so long as the County shall maintain said roads in accordance with this Agreement; provided, however, that in the event the County shall cease to maintain said roads or abandon the same, then and in that event, the clear and unencumbered title to said right-of-way shall revert to the State of Florida for the use and benefit of the Division of Road Operations of the State of Florida Department of Transportation and its successors and assigns. The County does by this Agreement acknowledge that the State of Florida for the use and benefit of the Division of Road Operations is the owner of the fee title to all lands lying within the right-of-way limits of said roads and that upon cessation of maintenance or the abandonment of any portions of said roads it shall turn over said portions so abandoned or not maintained to said Division of Road Operations free from all encumbrances whatsoever.

3. The County covenants and agrees that the roads so placed on the County System in accordance with Paragraph 1 thereof shall be numbered and marked in accordance with a uniform numbering system designated by the Department of Transportation.

4. As a part of the consideration for this Agreement the County covenants and agrees that it will save and hold harmless and indemnify the Department from all claims and liabilities of whatever nature whatsoever arising out of or because of any act or omission of the County. It is understood that this indemnity provision does not include any indemnity for the Department against the negligence of the Department.

IN WITNESS WHEREOF, the parties have, hereto, caused these presents to be signed by their duly authorized officers this the day and year first above written.
