Subject: Re: Key West FLP Land Exchange - Atlantic Blvd Relocation

Jim,

Thank you for the detailed justification statement and supporting documents. We have no objection to this request. Please feel free to proceed with the submission of the additional documentation in accordance with our land exchange guidelines and requirements.

Regards,

John

I am attaching the Purpose and Justification Statement for restrictive covenant exchange to support Atlantic Boulevard Relocation in Key West. Survey, appraisals, Phase 1 ESA, NEPA and title search are substantially complete and will be submitted with City Commission resolution subject to Department of Interior review and comment on this attachment.

Thanks,
