Subject: Save the trees!

Please listen to what we are saying the truck canopy trees need to be saved all trees need to be saved in Key West. You're turning it into Fort Lauderdale. I do not like Fort Lauderdale. Neither do a lot of other of your tourism guest. If we want to see Fort Lauderdale we will go there. How can you allow the mahogany trees the Royal Poinciana's and all the other beautiful trees to be removed. Sable palms can't be seen anywhere. I can even go out
