

RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION OF THE CITY COMMISSION OF THE  
CITY OF KEY WEST, FLORIDA, AUTHORIZING CITY  
OF KEY WEST TO BECOME A "MEMBER" OF THE  
SEAWALL COALITION; PROVIDING FOR AN  
EFFECTIVE DATE**

WHEREAS, flooding during king tides is already a costly nuisance and a problem that is expected to grow worse as sea levels continue to rise; and

WHEREAS, some reports state that sea level has risen eight inches since 1950 and its speed has increased threefold in recent years, with some projections forecasting another eight inches of sea level rise in the next 20 years; and

WHEREAS, sea level rise poses a unique threat to all of Florida, given the limestone bedrock beneath much of the state, which allows rising sea water to infiltrate sewage systems and threaten groundwater supplies via salt water intrusion; and

WHEREAS, proactively investing to prevent flooding is a wiser use of resources than spending on flood recovery, as exemplified by FEMA research showing that \$1 spent on disaster prevention saves \$4 in recovery costs; and

WHEREAS, national coordination and support are necessary for coastal towns to fully address the challenge of sea level rise and flooding, and the Seawall Coalition provides a platform

to advocate for national solutions to sea level rise and flooding that invest in and protect our coastal communities; and

WHEREAS, the Seawall Coalition is a 501(c)4 non-profit, nonpartisan group of elected officials, local government, military groups, businesses and local leaders that seek to unlock national solutions to sea level rise and flooding; and

WHEREAS, the Seawall Coalition will provide a forum for best practices and support in developing local and state-level responses to sea level rise and flooding that will enhance the City's sea level rise effort; and

WHEREAS, the Seawall Coalition provides opportunities and tools to communicate with residents on sea level rise challenges and solutions; and

WHEREAS, joining the Seawall Coalition will aid the City's efforts to protect against flooding without requiring any financial support or dues from the City Commission; and

WHEREAS, the City Commission finds that joining the Seawall Coalition will promote the welfare of City residents and ensure the prosperity of the City economy by accelerating solutions to sea level rise and flooding; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF KEY WEST, FLORIDA AS FOLLOWS:
