Subject: New Bath house artwork on Smathers Beach

Dear Liz,

I wish to propose artwork for the new Bathhouse on Smathers Beach, South Roosevelt blvd. The concrete wall is approximately 10' x 20' with 3 small horizontal openings. It faces the road. Perfect for AIPP expenditures from reserve funds. I estimate a budget of \$10,000. Paint or tile will holdup just fine with proper substrate preparation. I will be glad to write the RFP. Please offer this from me in absencia in other business at the end of the Agenda. Thank you Dick Moody, senior member AIPP.
