PREAMBLE

In order to establish the background, context and frame of reference for this Agreement and generally to express the objectives and intentions of the respective parties hereto, the following statements, representations and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

- 2.1. The CONTRACTOR is not entitled to receive, and the CRA is not obligated to pay, any fees or expenses in excess of the amount budgeted for Task Orders authorized under this Agreement in each fiscal year (October 1-September 30) by CRA. The budgeted amount may only be modified per City Ordinance(s).
- 2.2. The CRA has met the requirements, as set forth in Section 255.20, Florida Statutes, and has selected CONTRACTOR to perform the services hereunder based on the ITB #18-024 – CONSTRUCTION SERVICES incorporated by reference and made a part hereof and the Response to the REQUEST from CONTRACTOR dated APRIL 25, 2018, incorporated by reference and made part of.
- 2.3. Negotiations pertaining to the services to be performed by CONTRACTOR were undertaken between CONTRACTOR and staff selected by the Commission, and this Agreement incorporates the results of such negotiations.

ARTICLE 3

SCOPE OF SERVICES AND STANDARD OF CARE

3.1. CONTRACTOR's services may include but are not limited to the following in regard to the Agreement:

- A. Indefinite quantities for needed maintenance and repairs. The project contemplated consists of general maintenance and repairs for buildings located at the Key West Historic Seaport
 - B. CONTRACTOR shall provide all necessary, incidental and related activities and services as required.
- 3.2. CONTRACTOR and CRA acknowledge that the Scope of Services does not delineate every detail and minor work task required to be performed by CONTRACTOR to complete any particular task order. If, during the course of the performance of the services included in this Agreement, CONTRACTOR determines that work should be performed to complete the Task Order which is, in the CONTRACTOR's opinion, outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, CONTRACTOR shall notify Contract Administrator in writing

in a timely manner before proceeding with the work. If CONTRACTOR proceeds with such work without notifying the Contract Administrator, the work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services. Notice to Contract Administrator does not constitute authorization or approval by CRA to perform the work. Performance of work by CONTRACTOR outside the originally anticipated level of effort without prior written CRA approval or modification of task order is at CONTRACTOR's sole risk.

3.3. The specific services to be provided by the CONTRACTOR and the compensation for such services shall be as mutually agreed to in separate Task Orders to this AGREEMENT. Each Task Order when fully executed shall become a supplement to and a part of this AGREEMENT.

3.3.1. Each Task Order shall be supported by appropriate cost and pricing data and such other documentation as required by the CRA.

3.3.2. Task Orders shall be numbered consecutively as specified by CRA. Each Task Order shall include a description of the scope of services and specified deliverables, time of completion, total estimated costs of services, and method of compensation. Additional information shall be provided to the CRA if required. Amended Task Orders shall include substantially the same information and be submitted to the CRA for approval.

3.3.3. The CRA may make or approve changes within the general Scope of Services in any Task Order. If such changes affect the CONTRACTOR's materials cost or time required for performance of the services, an equitable adjustment shall be made through an amendment to the Task Order.

3.3.4. A Task Order may be terminated at any time, with or without cause, by the CRA upon written notice to CONTRACTOR. CONTRACTOR shall perform no further work upon receipt of this notice unless specifically authorized by the City Manager of the City of Key West. On termination, the CONTRACTOR shall be paid for all authorized services performed up to the termination date plus, if terminated for the convenience of the CRA, reasonable expenses incurred during the close-out of the Task Order. The CRA shall not pay for anticipatory profits. The termination of this Agreement pursuant to Paragraph 7.2, hereof, shall constitute the termination of any and all outstanding task orders.

3.3.5. The CONTRACTOR shall begin services under any Task Order when authorized by a Purchase Order issued by the CRA and delivered to CONTRACTOR.

3.4. The CRA and CONTRACTOR may negotiate additional scopes of services, compensation, time and material costs, and other related matters for each Task Order as allowed by this Agreement. If CRA and CONTRACTOR cannot contractually agree, CRA shall have the right to immediately terminate negotiations at no cost to CRA and procure services from another source.

3.5. CONTRACTOR shall perform services under this Agreement in accordance with professional industry standards at the time and place where the services are provided. In

the event CONTRACTOR does not achieve a competent workmanship standard, CONTRACTOR will correct such work, deficiency, or damage.

- 3.6. CONTRACTOR is required to perform the task orders consistent with current applicable Federal, State and City laws, codes and regulations that pertain to the Task Order. In all task orders, where changes to any laws, codes or regulations affecting the Task Order have a Task Ordered effective date or are anticipated to be effective at a future date, or if knowledge of anticipated changes is available to CONTRACTOR or any subcontractor, CONTRACTOR shall present options for their use or implementation.
- 3.7. CONTRACTOR shall examine and become familiar with the Task Order and determine the nature and location of the Work, the general and local conditions, and all other matters which can in any way affect the Work. Failure to make an examination necessary for this determination shall not release the CONTRACTOR from obligation of the Task Order. No verbal agreement or conversation with any officer, agent, or employee of the CRA shall affect or modify any of the terms or obligation herein contained.

ARTICLE 4

TERM OF AGREEMENT: TIME FOR PERFORMANCE: CONTRACTOR DAMAGES

The term of this Agreement shall be for a period of three (3) years from the effective date of the Agreement with the CRA. The Agreement will be in effect upon execution by both parties. The Agreement may be renewed at the discretion of the CRA and written consent by parties for additional 2 (two) year terms.

- 4.1. CONTRACTOR shall perform the services described in each Task Order within the time periods specified. Each such time period shall commence from the date of the purchase order issued for such services.
- 4.2. CONTRACTOR must receive written approval from the Contract Administrator prior to beginning the performance of services in any subsequent task order. Prior to granting approval for CONTRACTOR to proceed to a subsequent task order, the Contract Administrator may, at his or her sole option, require CONTRACTOR to submit any deliverables/documents for the Contract Administrator's review.
- 4.3. In the event CONTRACTOR is unable to complete the above services because of delays by CRA or other governmental authorities having jurisdiction over the Task Order, and such delays are not the fault of CONTRACTOR, or because of delays which were caused by factors outside the control of CONTRACTOR, CRA shall grant a reasonable extension of time for completion of the services and shall provide reasonable compensation, if appropriate. It shall be the responsibility of CONTRACTOR to notify CRA within 10 days in writing whenever a delay in approval by a governmental agency, including CRA, is anticipated or experienced, and to inform the Contract Administrator of all facts and details related to the delay.

- 4.4. In the event the CONTRACTOR fails to substantially complete the Task Order on or before the Substantial Completion date specified in its agreement with CRA, or if CONTRACTOR is granted an extension of time beyond said Substantial Completion date, and CONTRACTOR's services are extended beyond the Substantial Completion date, through no fault of CONTRACTOR, CONTRACTOR shall be compensated in accordance with Article 5 for all services rendered by CONTRACTOR beyond the Substantial Completion date.
- 4.5. In the event CONTRACTOR fails to substantially complete the Task Order on or before the Substantial Completion date specified in its agreement with CRA, and the failure to substantially complete is caused in whole or in part by a negligent act, error or deficiency of CONTRACTOR, then CONTRACTOR shall pay to CRA its proportional share of any claim or damages arising out of the delay. This provision shall not affect the rights and obligations of either party as set forth in Paragraph 7.8, INDEMNIFICATION OF CITY.

ARTICLE 5

COMPENSATION AND METHOD OF PAYMENT

5.1. AMOUNT AND METHOD OF COMPENSATION FOR CONTRACT WORK

- 5.1.1. For performing the Work of this Agreement as set forth in any Task Order, the CRA shall compensate the CONTRACTOR an amount not to exceed the Task Order amount set forth in such Task Order.
- 5.1.2. Unless otherwise agreed upon by the parties, the rates set forth in the proposal ITB #18-024 – CONSTRUCTION SERVICES Unit Price Items Bid Form shall be used to set the compensation amount of a Task Order for one or more of the following purposes:
- 5.1.2.1. Payment method based on unit prices shall be the basis for determining unit costs for particular Task Order(s), which the CRA shall pay the CONTRACTOR upon completion and acceptance of such Task Order;
 - 5.1.2.2. Payment method basis for determining a lump sum amount, which the CRA shall pay the CONTRACTOR upon completion and acceptance of the Task Order shall be substantiated by documentation with an itemized breakdown of Contractor costs, including labor, material, rentals, approved services, overhead and profit; or
 - 5.1.2.3. Payment method for cost reimbursement compensation shall be understood to mean that payment for work will be made on a time and expense basis, which the CRA shall pay the CONTRACTOR for employment forces time, material, equipment, and other items of costs as required and used to do the work in the Task Order.

To receive partial payments and final payment for cost reimbursement work, the CONTRACTOR shall submit detailed and complete documentation

verification of the CONTRACTOR's actual costs involved in the cost reimbursement work. Such costs shall be submitted within 30 days after said work has been performed.

5.1.2.4. The CRA reserves the right to furnish such materials and equipment as deemed expedient, and the CONTRACTOR shall have no claim for profit or added fees on the cost of such materials and equipment.

5.1.3. All rates must be set forth on the ITB #18-024 – CONSTRUCTION SERVICES Unit Price Items Bid Form and shall be inclusive of all labor, transportation, associated benefits, overhead, profit, and appurtenances necessary to perform and complete the Task Order, and such additional items not specifically indicated or described which can be reasonably inferred as belonging to the item described or indicated and as required by good practice to provide a complete and satisfactory system or structure. Any work, materials, or equipment that may reasonably be inferred from the Task Order as being required to produce the intended result shall be supplied whether or not specifically called for. The term “provide” shall be understood to mean “furnish, and install, complete in-place.”

5.1.4. CONTRACTOR unit prices stated in the proposal ITB #18-024 – CONSTRUCTION SERVICES Unit Price Items Bid Form shall be valid for one year. Beginning with the second year of the agreement a CPI rate increase will apply per year through the remainder of the contract as described below. This increase does not apply to percent mark-ups.

Hourly rates shall increase by the average change in the U.S. Department of Commerce Consumer Price Index (CPI) for All Urban Consumers, as reported by the Bureau of Labor Statistics for the 12 months prior to the renewal date.

5.1.5. In the event of a change of scope, the CRA, without notice to the Sureties and without invalidating the Agreement, may order changes in the work within the general scope of the task order by altering, adding to, or deducting from the work, the Task Order being adjusted accordingly. The CRA shall authorize in writing an appropriate decrease or increase in compensation. Quotations for alterations to the work shall include substantiating documentation with an itemized breakdown of Contractor costs, including labor, material, rentals, approved services, overhead and profit. All work shall be executed under the conditions of the original Task Order, except as specifically adjusted at the time of ordering such change.

If the work is reduced by alteration, such action shall not constitute a claim for damages based on loss of anticipated profits.

5.1.6. CONTRACTOR shall submit rates and other actual unit costs supporting the invoicing with certification stating work covered by invoice has been completed in accordance with Contract Documents, that all amounts are accurate and current.

- 5.1.7. A budgetary amount will be established for each Task Order. This budgetary amount shall not be exceeded unless prior written approval is provided by the CRA. CONTRACTOR shall make reasonable efforts to complete the work within the budget and keep CRA informed of progress toward that end so that the budget or work effort may be adjusted if necessary.
- 5.1.8. CONTRACTOR is not obligated to incur costs beyond the indicated budgets, as may be adjusted, nor is the CRA obligated to pay CONTRACTOR beyond these limits.
- 5.1.9. When any budget has been increased, CONTRACTOR's excess costs expended prior to such increase will be allowable to the same extent as if such costs had been incurred after the approval increase.
- 5.1.10. Nothing in this Article shall be construed to affect the right, hereby reserved, to reject the whole or any part of the aforesaid work, should such work be later found not to comply with the Task Order. All estimated quantities of work for which partial payments have been made are subject to review and correction on the final estimate. Payment by the CRA and acceptance by the CONTRACTOR of partial payments based on estimates of quantities of work performed shall not, in any way, constitute acceptance of the estimated quantities used as a basis for computing the amounts of the partial payments.
- 5.1.11. At least 30 days before each progress payment falls due, the CONTRACTOR shall submit to the CRA a detailed estimate of the amount earned during the preceding month for the separate portions of the work, and request payment. The words "amount earned" means the value, on the date of the estimate partial payment, of the work completed in accordance with a task order, and the value of approved materials delivered to the project site suitable stored and protected prior to incorporation into the work. Monthly invoicing will be based on an estimate of the percent of work completed at the end of the preceding month.

Owner may return the request to Contractor indicating in writing reasons for refusing to make payment. CONTRACTOR may, within 7 days, make the necessary corrections and resubmit the request.

Refusal to make payment may be because of subsequently discovered evidence or the results of subsequent inspections or tests, nullify any such payment previously recommended to such an extent as may be necessary to protect the CRA from loss because:

1. The work is defective, or completed work has been damaged requiring correction or replacement;
2. Written claims have been made against CRA or Liens have been filed in connection with the work;
3. The Contract Price has been reduced because of Change Orders;
4. CRA has been required to correct defective work or complete the work in accordance with Article 7;

5. Of CONTRACTOR's unsatisfactory prosecution of the work in accordance with the Task Order; or
6. CONTRACTOR's failure to make payment to Subcontractors or for labor, materials, or equipment.

5.1.12. Qualification for partial payment for materials delivered by not yet incorporated into the work shall be described below:

1. Materials, as used herein, shall be considered to be those items which are fabricated and manufactured material and equipment. No consideration shall be given to individual purchases of less than \$200 for any one item.
2. To receive partial payment for materials delivered to the site, but not incorporated in the work, it shall be necessary for the CONTRACTOR to include a list of such materials on the Partial Payment Request. The CRA may approve items for which partial payment is to be made. Partial payment shall be based on the CONTRACTOR's actual cost for the materials as evidenced by invoices from the supplier. Proper storage and protection shall be provided by the CONTRACTOR, and as approved by the CRA. Final payment shall be made only for materials actually incorporated in the work and, upon acceptance of the work, all materials remaining for which advance payments had been made shall revert to the CONTRACTOR, unless otherwise agreed, and partial payments made for these items shall be deducted from the final payment for the work.
3. CONTRACTOR warrants and guarantees that title to all work, materials, and equipment covered by any Application for Payment, whether incorporated in the project or not, will pass to CRA at the time of payment free and clear of all liens, claims, security interests, and encumbrances.
4. If requested by the CRA, the CONTRACTOR shall provide, with subsequent pay requests, invoices receipted by the supplier showing payment in full has been made.

5.1.13. In any case where the CONTRACTOR deems additional time or compensation will become due him under this Agreement for circumstances other than those defined in Article 7, the CONTRACTOR shall notify the CRA, in writing, of his intention to make claim for such time or compensation before he begins the work on which he bases the claim, in order that such matters may be settled, if possible, or other appropriate action taken. The notice of claim shall be in writing and shall state the circumstances and the reasons for the claim, but not state the amount. If such notification is not given or if the CRA is not afforded proper facilities by the CONTRACTOR for keeping strict account of actual cost, then the CONTRACTOR hereby agrees to waive the claim for such additional time or compensation. Such notice by the CONTRACTOR, and fact that the CRA has kept account of the cost as aforesaid, shall not in any way be construed as proving the validity of the claim.

No extension of time will be granted to the CONTRACTOR for delays resulting from extra work that have no measurable impact on the completion of the total Work under a Task Order. Claims for additional time or compensation shall be made in itemized detail and submitted, in writing, to the CRA within 10 days following completion of that portion of the work for which the CONTRACTOR bases his claim. Failure to

make the claim for additional compensation in the manner and within the time specified above shall constitute waiver of that claim. In case the claim is found to be just, it shall be allowed and paid for as provided in paragraph 5.3.7.

5.1.14. The CONTRACTOR shall indemnify and hold harmless the CRA from all claims for labor and materials furnished under this Agreement. Prior to the final payment, the CONTRACTOR shall furnish to the CRA, as part of his final payment request, a certification that all of the CONTRACTOR's obligations on the project have been satisfied and that all monetary claims and indebtedness have been paid. The CONTRACTOR shall furnish complete and legal effective releases or waivers, satisfactory to the CRA, of all liens arising out of or filed in connection with the work.

5.1.15. Upon completion of all the work under a Task Order, the CONTRACTOR shall notify the CRA, in writing, that he has completed his part of the Task Order and shall request final payment. Upon receipt of such notice the CRA will inspect and, if acceptable as to the completed work and the final estimate of the amount due to the CONTRACTOR, and compliance by the CONTRACTOR with provisions regarding release of liens or claims, and other provisions as may be applicable, the CRA shall pay the CONTRACTOR all monies due him under the provisions of the Task Order.

5.1.16. Neither the inspection by the CRA, nor any order by the CRA for payment of money, nor any payment for, or acceptance of, the whole or any part of the work by the CRA, nor any extension of time, nor any possession taken by the CRA or its employees, shall operate as a waiver of any provision of this Agreement, or any power herein reserved to the CRA, or any right to damages herein provided, nor shall any waiver of any breach in this Agreement be held to be a waiver of any other or subsequent breach. Acceptance or final payment shall not be final and conclusive with regards to latent defects, fraud, or such gross mistakes as may amount to fraud, or as regards the CRA's rights under the warranty.

5.1.17. The acceptance by the CONTRACTOR of the final payment shall release the CRA from all claims and all liability to the CONTRACTOR for all things done or furnished in connection with the work, and every act of the CRA and others relating to or arising out of the work except claims previously made in writing and still unsettled. No payment, however, final or otherwise, shall operate to release the CONTRACTOR or his Sureties from obligations under this Agreement and the Performance Bond, Payment Bond, and other bonds and warranties, as herein provided.

5.2. METHOD OF BILLING

5.2.1. Lump Sum or Unit Cost Compensation

CONTRACTOR shall submit invoicing that identifies the Task Order number or project name on a monthly basis in a timely manner. Invoices shall identify the nature of the work performed and estimate percent of work accomplished, show expenditure of personnel and equipment hours and material quantities and units costs, and a summary of previous invoice costs. Invoices shall itemize and

summarize all work performed by total quantity and unit cost for each item of work performed.

- 5.2.2. If requested, CONTRACTOR shall provide copies of past paid invoices to any subcontractor prior to receiving payment. CRA reserves the right to pay any subcontractor if CONTRACTOR has not paid them timely and the services of the subcontractor are necessary to complete the Task Order or any Task Order.

5.3. METHOD OF PAYMENT

- 5.3.1. CRA shall pay CONTRACTOR within forty-five (45) calendar days from receipt of CONTRACTOR's proper invoice with documentation as provided above.

- 5.3.2. In the event CONTRACTOR has utilized a Subcontractor in order to perform the Task Order, CONTRACTOR will be required to provide documentation that subcontractor has been paid prior to payment being made to CONTRACTOR.

- 5.3.3. Upon completion of all the work under a Task Order, CONTRACTOR shall notify the CRA, in writing, that he has completed the Task Order, furnish release of liens or claims, and request final payment. Upon receipt of notice, the CRA shall inspect the completed work and final estimate of the amount due the CONTRACTOR, and if acceptable, the CRA shall pay to the CONTRACTOR all monies due him under for the Task Order.

- 5.3.4. Payment will be made to CONTRACTOR at:

**Sea Tech of the Florida Keys, Inc.
131 Palomino Horse Trail
Big Pine Key, Florida 33043**

- 5.3.5. Neither the inspection nor any order by the CRA for payment for money, nor any payment for, or acceptance of, the whole or any part of the work by the CRA, nor any extension for time, nor any possession taken by the CRA, shall operate as a waiver of any provision of the Task Order, or any power herein reserved to the CRA, or any right to damages herein provide, nor shall any waiver of any breach in this Agreement be held to be a waiver of any other or subsequent breach. Acceptance or final payment shall not be final and conclusive with regards to latent defects, fraud, or such gross mistakes as may amount to fraud, or as regards to the CRA's rights under the warranty.

- 5.3.6. The acceptance by the CONTRACTOR of the final payment shall release the CRA from all claims and all liability to the CONTRACTOR for all things done or furnished in connection with the work, and every act of the CRA and others relating to or arising out of the work except claims previously made in writing and still unsettled. No payment, however, final or otherwise, shall operate to release the CONTRACTOR or his Sureties from obligations under this Agreement and warranties, as herein provided.

5.3.7. The CRA's request for quotations on alterations to the work shall not be considered authorization to proceed with the work prior to issuance of a formal Change order, nor shall such request justify any delay in existing work. Quotations for alterations to the work shall include substantiating documentation with an itemized breakdown of CONTRACTOR and Subcontractor costs, including labor, material, rentals, approved services, overhead, and profit. CRA may require detailed cost data in order to substantiate the reasonableness of the proposed costs.

Any compensation paid in conjunction with the terms of a Change Order shall comprise total compensation due the CONTRACTOR for the work or alteration defined in the Change Order. By signing the Change Order, the CONTRACTOR acknowledges that the stipulated compensation includes payment for the work or alteration plus all payment for the interruption of schedules, extended overhead, delay, or any other impact claim or ripple effect, and by such signing specifically waives any reservation or claim for additional compensation in respect to the subject Change Order.

At the CRA's option, payment or credit for any alterations covered by a Change Order shall be determined by one or a combination of the methods set forth in A, B, or C below, as applicable:

A. UNIT PRICES

Those unit prices stipulated in the proposal REQUEST for QUOTES – CONSTRUCTION SERVICES Unit Price Items Bid Form shall be utilized where they are applicable. In the event the Change Order results in a change in the original quantity that is materially and significantly different from the original bid quantity, a new unit price shall be negotiated upon demand of either party. Unit prices for new items included in the Change Order shall be negotiated and mutually agreed upon.

B. LUMP SUM

A total lump sum for the work negotiated and mutually acceptable to the CONTRACTOR and the CRA.

Lump sum quotations for modifications to the work shall include substantiating documentation with an itemized breakdown of CONTRACTOR and Subcontractor costs, including labor, material, rentals, approved services, overhead, and profit, all calculated as specified under "C" below.

C. COST REIMBURSEMENT WORK

The term "cost reimbursement" shall be understood to mean that payment for the work will be made on a time and expense basis, that is, on an accounting of the CONTRACTOR's forces, materials, equipment, and other items of cost as required and used to do the work.

If the method of payment cannot be agreed upon prior to the beginning of the work, and the CRA directs by written Change Order that the work be done on a cost reimbursement basis, then the CONTRACTOR shall furnish labor, and furnish and

install equipment and materials necessary to complete the work in a satisfactory manner and within a reasonable period of time. For the work performed, payment will be made for the documented actual cost of the following:

1. Labor including foremen for those hours they are assigned and participating in the cost reimbursement work (actual payroll cost, including wages, fringe benefits as established by negotiated labor agreements, labor insurance, and labor taxes as established by law). No other fixed labor burdens will be considered, unless approved in writing by the CRA.
2. Material delivered and used on the designated work, including sales tax, if paid by the CONTRACTOR or his Subcontractor.
3. Rental or equivalent rental cost of equipment, including necessary transportation for items having a value in excess of \$100.

Rental or equivalent rental cost will be allowed for only those days or hours during which the equipment is in actual use. Rental and transportation allowances shall not exceed the current rental rates prevailing in the locality. The rentals allowed for equipment will, in all cases, be understood to cover all fuel, supplies, repairs, and renewals, and no further allowances will be made for those items, unless specific agreement to that effect is made.

4. Additional bond, as required and approved by the CRA.
5. Additional insurance (other than labor insurance) as required and approved by the CRA.

In addition to items 1 through 5 above, an added fixed fee for general overhead and profit shall be negotiated and allowed for the CONTRACTOR (or approved Subcontractor) actually executing the Cost Reimbursement work.

An additional fixed fee shall be negotiated and allowed the CONTRACTOR for the administrative handling of portions of the work that are executed by an approved Subcontractor. No additional fixed fee will be allowed for the administrative handling of work executed by a Subcontractor of a Subcontractor, unless by written permission from the CRA.

The added fixed fees shall be considered to be full compensation, covering the cost of general supervision, overhead, profit, and any other general expense. The CONTRACTOR's records shall make clear distinction between the direct costs of work paid for on a cost reimbursement basis and the costs of other work. The CONTRACTOR shall furnish the CRA report sheets for each day's cost reimbursement work no later than the working day following the performance of said work. The daily report sheets shall itemize the materials used, and shall cover the direct cost of labor and the charges for equipment rental, whether furnished by the CONTRACTOR, Subcontractor or other forces. The daily report sheets shall provide

names or identifications and classifications of workers, the hourly rate of pay and hours worked, and also the size, type, and identification number of equipment and hours operated.

Material charges shall be substantiated by valid copies of vendors' invoices. Such invoices shall be submitted with the daily report sheets, or, if not available, they shall be submitted with subsequent daily report sheets. Said daily report sheets shall be signed by the CONTRACTOR or his authorized agent.

The CRA reserves the right to furnish such materials and equipment as he deems expedient and the CONTRACTOR shall have no claim for profit or added fees on the cost of such materials and equipment. To receive partial payments and final payment for cost reimbursement work, the CONTRACTOR shall submit to the CRA, detailed and complete documented verification of the CONTRACTOR's and any of his Subcontractors' actual costs involved in the cost reimbursement work. Such costs shall be submitted within 30 days after said work has been performed.

5.4. CORRECTION OF DEFECTIVE WORK DURING WARRANTY PERIOD

- 5.4.1.** Any defective work or nonconforming materials or equipment that may be discovered at any time prior to expiration of the warranty period shall be removed and replaced by work which shall conform to the provisions of the Task Order. Any material condemned or rejected shall be removed at once from the project site.
- 5.4.2.** Failure on the part of the CRA to condemn or reject bad or inferior work or to note nonconforming materials or equipment on CONTRACTOR submittals shall not be construed to imply acceptance of such work. The CRA shall reserve and retain all of its rights and remedies at law against the CONTRACTOR and its Surety for correction of any and all latent defects discovered after the guarantee period.
- 5.4.3.** The CONTRACTOR hereby agrees to make, at his own expense, all repairs or replacements necessitated by defects in materials or workmanship, provided under terms of this Agreement, and pay for any damage to other works resulting from such defects, which become evident within 2 years after the date of final acceptance of the work or within 2 years after the date of substantial completion, or within such longer period as may be prescribed by law or by the terms of any applicable special guarantee required by a Task Order. Un-remedied defects identified for correction during the warranty period but remaining after its expiration shall be considered as part of the obligations of the warranty shall subject the remedied portion of the work to an extended warranty period of 2 years after the defect has been remedied.
- 5.4.4.** The CONTRACTOR further assumes responsibility for a similar guarantee for all work and materials provided by subcontractors or manufacturers of packaged equipment components. The effective date for the start of the guarantee or warranty period for qualifying equipment shall be from the time of substantially complete.

- 5.4.5. The CONTRACTOR also agrees to hold the CRA harmless from liability of any kind arising from damage due to said defects. The CONTRACTOR shall make all repairs and replacements promptly upon receipt of written order for same from the CRA. If the CONTRACTOR fails to make the repairs and replacements promptly, or in an emergency where delay would cause serious risk, or loss, or damage, the CRA may have the defective work corrected or the rejected work removed and replaced, and the CONTRACTOR and his Surety shall be liable for the cost thereof.
- 5.4.6. The CRA may issue a written notice of substantial completion for the purpose of establishing the starting date for specific equipment guarantees, and to establish the date that the CRA will assume the responsibility for the cost of operating such equipment. Said notice shall not be considered as final acceptance of any portion of the work or relieve the CONTRACTOR from completing the remaining work within the specified time and in full compliance with the Task Order.

ARTICLE 6

CRA 'S RESPONSIBILITIES

- 6.1. CRA shall assist CONTRACTOR by placing at CONTRACTOR's disposal all information CRA has available pertinent to the Task Order including previous reports and any other data relative to design or construction of the Task Order.
- 6.2. CRA shall arrange for access to, and make all provisions for, CONTRACTOR to enter upon public and private property as required for CONTRACTOR to perform its services.
- 6.3. CRA shall review the CONTRACTOR's Work, including materials and methods of installation, identified in the task orders and respond in writing with any comment within the time set forth in the Task Order or within a reasonable time.
- 6.4. CRA shall give prompt written notice to CONTRACTOR whenever CRA observes or otherwise becomes aware of any development that affects the scope or timing of CONTRACTOR's services or any defect in the work of any Contractor.

ARTICLE 7

MISCELLANEOUS

7.1. OWNERSHIP OF THE WORK

7.1.1. SUBMITTALS

After checking and verifying all field measurements CONTRACTOR shall submit to CRA shop drawings, electrical diagrams, and catalog cuts for fabricated items and manufactured items (including mechanical and electrical equipment), which shall bear a stamp or specific written indication that Contractor has satisfied Contractor's responsibilities with respect to the review of the submittal. The data shown shall be

complete with respect to quantities, dimensions specified, performance and design criteria, materials, and similar data to enable CRA to review the information. Contractor shall also submit to CRA for review, with such promptness as to cause no delay in work, all samples required by the Contract Documents. All samples shall have been checked by and accompanied by a specific written indication that Contractor has satisfied Contractor's responsibilities with respect to the review of the submission and shall be identified clearly as to material, supplier, pertinent data such as catalog numbers and the use for which intended.

Before submission of each submittal, Contractor shall have determined and verified all quantities, dimensions, specified performance criteria, installation requirements, materials, catalog numbers, and similar data with respect thereto and reviewed or coordinated each submittal with other submittals and with the requirements of the work.

At the time of each submission, CONTRACTOR shall give CRA specific written notice of each variation that the submittal may have from the requirements of the Task Order, and, in addition, shall cause a specific notation to be made on each shop drawing submitted to CRA for review and approval of each variation.

CRA will review submittals with reasonable promptness, but CRA's review will be only for conformance with the design concept of the project and for compliance with the Task Order and shall not extend to means, methods, techniques, sequences, or procedures of construction (except where a specific means, method, technique, sequence, or procedure of construction is indicated in or required by the Task Order) or to safety precautions or programs incident thereto. The review of a separate item as such will not indicate review of the assembly in which the item functions. CONTRACTOR shall make corrections required by CRA, and shall return the required number of corrected copies of shop drawings and submit as required new samples for review. Contractor shall direct specific attention in writing to revisions other than the corrections called for by CRA on previous submittals.

CRA's review of submittals shall not relieve CONTRACTOR from the responsibility for any variation from the requirements of the Task Order unless CONTRACTOR has in writing called CRA's attention to each such variation at the time of submission and CRA has given written approval of each such variation by a specific written notation thereof incorporated therein or accompanying the shop drawing or sample approval; nor will any approval by CRA relieve CONTRACTOR from responsibility for errors or omissions in the shop drawings or from responsibility for having complied with the provisions herein.

Where a shop drawing or sample is required by the specifications, any related work performed prior to CRA's review and approval of the pertinent submission shall be at the sole expense and responsibility of the CONTRACTOR.

7.1.2. MATERIALS AND APPLIANCES

Unless otherwise stipulated, the Contractor shall provide and pay for all materials, labor, water, tools, equipment, heat, light, fuel, power, transportation, construction equipment and machinery, appliances, telephone, sanitary facilities, temporary facilities and other facilities and incidentals necessary for the execution and completion of the work.

Unless otherwise specified, all materials shall be new, and both workmanship and materials shall be of good quality. The CONTRACTOR shall, if required, furnish satisfactory evidence as to the kind and quality of materials.

In selecting and/or approving equipment for installation in the project, the CRA assumes no responsibility for injury or claims resulting from failure of the equipment to comply with applicable federal, state, and local safety codes or requirements, or the safety requirements of a recognized agency, or failure due to faulty design concepts, or defective workmanship and materials.

7.1.3. CONTRACTOR AND MANUFACTURER COMPLIANCE WITH STATE SAFETY, OSHA, AND OTHER CODE REQUIREMENTS

The completed work shall include all necessary permanent safety devices, such as machinery guards and similar ordinary safety items required by the state and federal (OSHA) industrial authorities and applicable local and national codes. Further, any features of the work subject to such safety regulations shall be fabricated, furnished, and installed (including CRA-furnished equipment) in compliance with these requirements. Contractors and manufacturers of equipment shall be held responsible for compliance with the requirements included herein. CONTRACTOR shall notify all equipment suppliers and Subcontractors of the provisions of this Article.

7.1.4. SUBSTITUTION OF MATERIALS

Except for CRA-selected equipment items, and items where no substitution is clearly specified, whenever any material, article, device, product, fixture, form, type of construction, or process is indicated or specified by patent or proprietary name, by name of manufacturer, or by catalog number, such specifications shall be deemed to be used for the purpose of establishing a standard of quality and facilitating the description of the material or process desired. This procedure is not to be construed as eliminating from competition other products of equal or better quality by other manufacturers where fully suitable in design, and shall be deemed to be followed by the words "or equal". The CONTRACTOR may, in such cases, submit complete data to the CRA for consideration of another material, type, or process which shall be substantially equal in every respect to that so indicated or specified. Substitute materials shall not be used unless approved in writing. The CRA will be the sole judge of the substituted article or material.

7.1.5. PERFORMANCE TESTING

Operating equipment and systems shall be performance tested in the presence of the CRA to demonstrate compliance with the specified requirements. Performance testing shall be conducted under the specified design operating conditions or under such simulated operating conditions as recommended or approved by the CRA.

Schedule such testing with the CRA at least one week in advance of the planned date for testing.

The CONTRACTOR shall furnish, without extra charge, the necessary test pieces and samples, including facilities and labor for obtaining the same, and as requested by the CRA. When required, the CONTRACTOR shall furnish certificates of tests of materials and equipment made at the point of manufacture by a recognized testing laboratory.

The CRA, and authorized government agents, and their representatives shall at all times be provided safe access to the work wherever it is in preparation or progress, and the CONTRACTOR shall provide facilities for such access and for observations, including maintenance of temporary and permanent access.

If the Specifications, laws, ordinances, or any public authority require any work, to be specially tested or approved, the CONTRACTOR shall give timely notice of its readiness for observations. If any work should be covered up without approval or consent of the CRA, it shall, if required by the CRA, be uncovered for examination at the CONTRACTOR's expense.

Reexamination of questioned work may be ordered by the CRA, and, if so ordered, the work shall be uncovered by the CONTRACTOR. If such work is found to be in accordance with the Task Order, the CRA will pay the cost of uncovering, exposure, observation, inspection, testing and reconstruction. If such work is found to be not in accordance with the Task Order, the CONTRACTOR shall correct the defective work, and the cost of reexamination and correction of the defective work shall be paid by the CONTRACTOR.

7.1.6. CUTTING AND PATCHING

The CONTRACTOR shall do all cutting, fitting, or patching of his work that may be required to make its several parts come together properly and fit it to receive or be received by work of other Contractors shown upon or reasonably implied by the Task Order.

7.1.7. CLEAN UP

The CONTRACTOR shall, at all times, keep property on which work is in progress and the adjacent property free from accumulations of waste material or rubbish caused by employees or by the work. Upon completion of the construction, the CONTRACTOR shall remove all temporary structures, rubbish, and waste materials resulting from his operations.

7.1.8. SAFETY

The CONTRACTOR shall be solely and completely responsible for conditions of the jobsite, including safety of all persons (including employees) and property during performance of the work. This requirement shall apply continuously and not be limited to normal working hours. Safety provisions shall conform to U.S. Department of Labor (OSHA), and all other applicable federal, state, county, and local laws,

ordinances, codes, and regulations. Where any of these are in conflict, the more stringent requirement shall be followed. The CONTRACTOR's failure to thoroughly familiarize himself with the aforementioned safety provisions shall not relieve him from compliance with the obligations and penalties set forth therein.

The CONTRACTOR shall develop and maintain for the duration of the Task Order, a safety program that will effectively incorporate and implement all required safety provisions. The CONTRACTOR shall appoint an employee who is qualified and authorized to supervise and enforce compliance with the safety program.

The duty of the CRA to conduct construction review of the work does not include review or approval of the adequacy of the CONTRACTOR's safety program, safety supervisor, or any safety measures taken in, on, or near the construction site.

The CONTRACTOR, as a part of his safety program, shall maintain at his office or other well-known place at the jobsite, safety equipment applicable to the work as prescribed by the aforementioned authorities, all articles necessary for giving first-aid to the injured, and shall establish the procedure for the immediate removal to a hospital or a doctor's care of persons (including employees) who may be injured on the jobsite.

If death or serious injuries or serious damages are caused, the accident shall be reported immediately by telephone or messenger to CRA. In addition, the CONTRACTOR must promptly report in writing to the CRA all accidents whatsoever arising out of, or in connection with, the performance of the work whether on, or adjacent to, the site, giving full details and statements of witnesses.

If a claim is made by anyone against the CONTRACTOR or any Subcontractor on account of any accident, the CONTRACTOR shall promptly report the facts in writing to the CRA, giving full details of the claim.

7.1.9. PROTECTION OF WORK AND PROPERTY

The CONTRACTOR shall at all times safely guard and protect from damage the CRA's property, adjacent property, and his own work from injury or loss in connection with a Task Order. All facilities required for protection by federal, state, or municipal laws and regulations and local conditions must be provided and maintained.

The CONTRACTOR shall protect his work and materials from damage due to the nature of the work, the elements, carelessness of other contractors, or from any cause whatever until the completion and acceptance of the work. All loss or damages arising out of the nature of the work to be done under a Task Order, or from any unforeseen obstruction or defects which may be encountered in the prosecution of the work, or from the action of the elements, shall be sustained by the CONTRACTOR.

7.1.10. RESPONSIBILITY OF CONTRACT TO ACT IN AN EMERGENCY

In case of an emergency which threatens loss or injury of property, and/or safety of life, the CONTRACTOR shall act, without previous instructions from the CRA, as the situation may warrant. The CONTRACTOR shall notify the CRA thereof immediately thereafter. Any claim for compensation by the CONTRACTOR, together with substantiating documents in regard to expense, shall be submitted to the CRA and the amount of compensation shall be determined by agreement.

7.1.11. CRA'S USE OF PORTIONS OF THE WORK

Following issuance of the written notice of substantial completion, the CRA may initiate operation of the facility. Such use shall not be considered as final acceptance of any portion of the work, nor shall such use be considered as cause for an extension of the Task Order completion time, unless authorized by a Change Order issued by the CRA.

7.1.12. CRA'S RIGHT TO RETAIN IMPERFECT WORK

If any part or portion of the work completed under this Agreement shall prove to be defective and not in accordance with a Task Order, and if the imperfection in the same shall not be of sufficient magnitude or importance as to make the work dangerous or unsuitable, or if the removal of such work will create conditions which are dangerous or undesirable, the CRA shall have the right and authority to retain such work but will make such deduction in the final payment therefore as may be just and reasonable.

7.1.13. CRA'S RIGHT TO DO WORK

Should the CONTRACTOR neglect to prosecute the work in conformance with the Task Order or neglect or refuse at his own cost to remove and replace work rejected by the CRA, then the CRA may notify the Surety of the condition, and after 10 days written notice to the CONTRACTOR and the Surety, or without notice if an emergency or danger to the work or public exists, and without prejudice to any other right which the CRA may have under Agreement, or otherwise, take over that portion of the work which has been improperly or non-timely executed, and make good the deficiencies and deduct the cost thereof from the payments then or thereafter due the CONTRACTOR.

7.1.14. CRA'S RIGHT TO TRANSFER EMPLOYMENT

If the CONTRACTOR should abandon the work or if he should persistently or repeatedly refuse or should fail to make prompt payment to Subcontractors for material or labor, or to persistently disregard laws, ordinances, or to prosecute the work in conformance with the Task Order, or otherwise be guilty of a substantial violation of any provision of the Agreement or any laws or ordinance, then the CRA may, without prejudice to any other right or remedy, and after giving the CONTRACTOR and Surety 10 days' written notice, transfer the employment for said work from the CONTRACTOR to the Surety. Upon receipt of such notice, such Surety shall enter upon the premises and take possession of all materials, tools, and appliances thereon for the purpose of completing the work included under the Task Order and employ by contract or otherwise, any qualified person or persons to finish

the work and provide the materials therefor, in accordance with the Task Order, without termination of the continuing full force and effect of this Agreement. In case of such transfer of employment to such Surety, the Surety shall be paid in its own name on estimates according to the terms hereof without any right of the CONTRACTOR to make any claim for the same or any part thereof.

If, after the furnishing of said written notice to the Surety, the CONTRACTOR and the Surety still fail to make reasonable progress on the performance of the work, the CRA may terminate the employment of the CONTRACTOR and take possession of the premises and of all materials, tools, and appliances thereon and finish the work by whatever method he may deem expedient and charge the cost thereof to the CONTRACTOR and the Surety. In such case, the CONTRACTOR shall not be entitled to receive any further payment until the work is finished. If the expense of completing the Task Order, including compensation for additional managerial and administrative services, shall exceed such unpaid balance, the CONTRACTOR and the Surety shall pay the difference to the CRA.

7.1.15. DELAYS AND EXTENSION OF TIME

If the CONTRACTOR is delayed in the progress of the work by any act or neglect of the CRA, or by any separate Contractor employed by the CRA, or by strikes, lockouts, fire, adverse weather conditions not reasonably anticipated, or acts of Nature, and if the CONTRACTOR, within 48 hours of the start of the occurrence, gives written notice to the CRA of the cause of the potential delay and estimate of the possible time extension involved, and within 10 days after the cause of the delay has been remedied, the CONTRACTOR gives written notice to the CRA of any actual time extension requested as a result of the aforementioned occurrence, then the Task Order time may be extended by change order for such reasonable time as the CRA determines. It is agreed that no claim shall be made or allowed for any damages, loss, or expense which may arise out of any delay caused by the above referenced acts or occurrences other than claims for the appropriate extension of time.

No extension of time will be granted to the CONTRACTOR for delays occurring to parts of the work that have no measurable impact on the completion of the total work under a task order. No extension of time will be considered for weather conditions reasonably anticipated for the area in which the work is being performed. Reasonably anticipated weather conditions will be based on official records of monthly precipitation and other historical data. Adverse weather conditions, if determined to be of a severity that would impact progress of the work, may be considered as cause for an extension of a task order completion time.

Delays in delivery of equipment or material purchased by the CONTRACTOR or his Subcontractors, including CRA-selected equipment shall not be considered as a just cause for delay, unless the CRA determines that for good cause the delay is beyond the control of the CONTRACTOR. The CONTRACTOR shall be fully responsible for the timely ordering, scheduling, expediting, delivery, and installation of all equipment and materials.

The CONTRACTOR shall submit to the CRA a written request for an extension of time and recommendation as to the number of days for time extension. The CRA will make the final decision on all requests for extension of time.

7.1.16. OTHER CONTRACTS

The CRA reserves the right to let other Contracts in connection with the work. The CONTRACTOR shall afford other Contractors reasonable opportunity for the introduction and storage of their materials and the execution of their work and shall properly connect and coordinate his work with theirs.

If any part of the work under this Agreement depends, for proper execution or results upon the work of any other Contractor, utility service company or Owner, the CONTRACTOR shall inspect and promptly report to the CRA in writing any patent or apparent defects to deficiencies in such work that render it unsuitable for such proper execution and results. The CONTRACTOR's failure to so report shall constitute acceptance of the work by others as being fit and proper for integration with work under this Agreement, except for latent or non-apparent defects and deficiencies in the work.

7.1.17. USE OF PREMISES

The CONTRACTOR shall confine his equipment, the storage of materials and the operation of his workers to project area limits, as indicated by law, ordinances, permits, or directions of the CRA, and shall not unreasonably encumber the premises with his materials. The CONTRACTOR shall provide, at his own expense, the necessary rights-of-way and access to the work which may be required outside the project area limits and shall furnish the CRA copies of permits and agreements for use of property outside that provided by the CRA.

The Contractor shall not load nor permit any part of the structure to be loaded in any manner that will endanger the structure, nor shall CONTRACTOR subject any part of the work or adjacent property to stresses or pressures that will endanger it.

7.2. TERMINATION

7.2.1. This Agreement may be terminated with or without cause by CRA at any time.

7.2.2. Notice of termination shall be provided in accordance with paragraph 7.12 of this Agreement.

7.2.3. In the event this Agreement is terminated, CONTRACTOR shall be paid for any services performed to the date the Agreement is terminated. Compensation shall be withheld until all documents specified in Section 7.1 of this Agreement are provided to the CRA. Upon being notified of CRA's election to terminate, CONTRACTOR shall refrain from performing further services or incurring additional expenses under the terms of this Agreement. Under no circumstances shall CRA make payment of profit for services that have not been performed.

7.2.4 CONTRACTOR'S RIGHT TO TERMINATE TASK ORDER

If the work should be stopped under an order of any court or other public authority for a period of more than three months, through no act or fault of the CONTRACTOR, its Subcontractors, or respective employees, or if the CRA should fail to make payment on an approved properly submitted pay request or return payment request to Contractor for revision within 30 days after it is due, or if the CRA should fail to pay the CONTRACTOR within 45 days after time specified in Article 5, then the CONTRACTOR may, upon 15 days' written notice to the CRA, stop work or terminate the Task Order and recover from the CRA payment for all acceptable work performed and reasonable termination expenses, unless said default has been remedied.

7.3. AUDIT RIGHT AND RETENTION OF RECORDS

- 7.3.1. CRA shall have the right to audit the books, records, and accounts of CONTRACTOR that are related to this Task Order. CONTRACTOR shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Task Order.
- 7.3.2. CONTRACTOR shall preserve and make available, at reasonable times for examination and audit by CRA, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act (Chapter 119, Fla. Stat.), if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by CRA to be applicable to CONTRACTOR's records, CONTRACTOR shall comply with all requirements thereof; however, CONTRACTOR shall violate no confidentiality or non-disclosure requirement of either federal or state law. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for CRA's disallowance and recovery of any payment upon such entry.

7.4. NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AMERICANS WITH DISABILITIES ACT, AND EQUAL BENEFITS FOR DOMESTIC PARTNERS

- 7.4.1. CONTRACTOR shall not unlawfully discriminate against any person in its operations and activities in its use or expenditure of the funds or any portion of the funds provided by this Agreement and shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded in whole or in part by CRA, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards.

7.4.2. CONTRACTOR's decisions regarding the delivery of services under this Agreement shall be made without regard to or consideration of race, age, religion, color, gender, sexual orientation, gender identity or expression, national origin, marital status, physical or mental disability, political affiliation, or any other factor that cannot be lawfully or appropriately used as a basis for service delivery. CONTRACTOR shall comply with Title I of the Americans with Disabilities Act regarding nondiscrimination on the basis of disability in employment and further shall not discriminate against any employee or applicant for employment because of race, age, religion, color, gender, sexual orientation, national origin, gender identity or expression, marital status, political affiliation, or physical or mental disability. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

7.4.3. CONTRACTOR shall comply with City Ordinance Sec. 2-799 Requirements for City Contractors to Provide Equal Benefits for Domestic Partners.

7.5. PUBLIC ENTITY CRIMES ACT

7.5.1. CONTRACTOR represents that the execution of this Agreement shall not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes), which essentially provides that a person or affiliate who is a contractor, consultant or other provider and who has been placed on the convicted vendor list following a conviction for a Public Entity Crime may not submit a bid on a contract to provide any goods or services to CRA, may not submit a bid on a contract with CRA for the construction or repair of a public building or public work, may not submit bids on leases of real property to CRA, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with CRA, and may not transact any business with CRA in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in being barred from CRA's competitive procurement activities.

7.5.2. In addition to the foregoing, CONTRACTOR further represents that there has been no determination, based on an audit, that it or any subcontractor, has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether CONTRACTOR has been placed on the convicted vendor list.

7.5.3. CONTRACTOR shall promptly notify CRA if it or any subcontractor is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list.

7.6. SUBCONTRACTORS

CONTRACTOR may use subcontractors to provide the services under this Agreement. The CRA reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make determination as to the capability of the subcontractor to perform properly under this Contract. The CRA's acceptance of a subcontractor shall not be unreasonably withheld. CONTRACTOR shall obtain written approval of Contract Administrator prior to the use of subcontractors.

7.7. ASSIGNMENT AND PERFORMANCE

- 7.7.1. Neither this Agreement nor any interest herein shall be assigned, transferred, or encumbered by either party and CONTRACTOR shall not subcontract any portion of the work required by this Agreement except as authorized pursuant to Section 7.6.
- 7.7.2. CONTRACTOR represents that all persons delivering the services required by this Agreement have the knowledge and skills, either by training, experience, education, or a combination thereof, to adequately and competently perform the duties, obligations, and services set forth in the Scope of Services and to provide and perform such services to CRA's satisfaction for the agreed compensation.
- 7.7.3. CONTRACTOR shall perform its duties, obligations, and services under this Agreement in a skillful and respectable manner. The quality of CONTRACTOR's performance and all interim and final product(s) provided to or on behalf of CRA shall be in accordance with the standard of care set forth in Paragraph 3.5.

7.8. INDEMNIFICATION OF CITY

- 7.8.1. To the fullest extent permitted by law, the CONTRACTOR expressly agrees to indemnify and hold harmless the City of Key West, their officers, directors, agents, and employees (herein called the "indemnities") from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees and court costs, such legal expenses to include costs incurred in establishing the indemnification and other rights agreed to in this Paragraph, to persons or property, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the CONTRACTOR, its Subcontractors or persons employed or utilized by them in the performance of the Contract. Claims by indemnities for indemnification shall be limited to the amount of CONTRACTOR's insurance or \$1 million per occurrence, whichever is greater. The parties acknowledge that the amount of the indemnity required hereunder bears a reasonable commercial relationship to the Contract and it is part of the project specifications or the bid documents, if any.
- 7.8.2. The indemnification obligations under the Contract shall not be restricted in any way by any limitation on the amount or type of damages, compensation, or

benefits payable by or for the CONTRACTOR under workers' compensation acts, disability benefits acts, or other employee benefits acts, and shall extend to and include any actions brought by or in the name of any employee of the CONTRACTOR or of any third party to whom CONTRACTOR may subcontract a part or all of the Work. This indemnification shall continue beyond the date of completion of the Work.

7.9. INSURANCE

- 7.9.1. CONTRACTOR is to secure, pay for, and file with the City of Key West, prior to commencing any work under the Contract, all certificates for workers' compensation, public liability, and property damage liability insurance, and such other insurance coverages as may be required by specifications and addenda thereto, in at least the following minimum amounts with specification amounts to prevail if greater than minimum amounts indicated. - 7.9.8. It shall be the responsibility of the CONTRACTOR to ensure that all subcontractors comply with the same insurance requirements as is required of CONTRACTOR.
- 7.9.9. In addition, it is understood if at any time any of the policies required by the CRA shall become unsatisfactory to the CRA as to form or substance, or if a company issuing any such policy shall become unsatisfactory to the CRA, the CONTRACTOR shall obtain a new policy, submit the same to the CRA for approval and submit a certificate of insurance as which may be required by the contract. It is understood that upon failure of the CONTRACTOR to furnish, deliver and maintain such insurance as required above, the contract at the election of the CRA may be declared suspended, discontinued or terminated. Further, failure of the CONTRACTOR to take out and/or maintain any required insurance shall not relieve the CONTRACTOR from any liability under the contract, nor shall the insurance requirements be construed to conflict with the obligations of the CONTRACTOR concerning indemnification.

7.10. REPRESENTATIVE OF CRA AND CONTRACTOR

- 7.10.1. The parties recognize that questions in the day-to-day conduct of the Task Order will arise. The Contract Administrator, upon CONTRACTOR's request, shall advise CONTRACTOR in writing of one (1) or more CRA employees to whom all communications pertaining to the day-to-day conduct of the Task Order shall be addressed.

The original contract price for any task order and any additions thereto shall be adjusted to exclude any significant sums, by which CITY determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

7.14. INTERPRETATION

The language of this Agreement has been agreed to by both parties to express their mutual intent and no rule of strict construction shall be applied against either party hereto. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as "herein," "hereof," "hereunder," and "hereinafter" refer to this Agreement as a whole and not to any particular sentence or paragraph where they appear, unless the context otherwise requires. 7.15. INDEPENDENT CONTRACTOR

CONTRACTOR is an independent contractor under this Agreement. Services provided by CONTRACTOR shall be subject to the supervision of CONTRACTOR. In providing the services, CONTRACTOR or its agents shall not be acting and shall not be deemed as acting as officers, employees, or agents of the CRA, nor shall they accrue any of the rights or benefits of a CRA employee. The parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Agreement.

7.16. THIRD PARTY BENEFICIARIES

Neither CONTRACTOR nor CRA intend directly or substantially to benefit a third party by this Agreement. Therefore, the parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a

The limitations of this section shall not preclude such persons from representing themselves in any action or in any administrative or legal proceeding.

7.17.3. In the event CONTRACTOR is permitted to use subcontractors to perform any services required by this Agreement, CONTRACTOR agrees to prohibit such subcontractors from having any conflicts as within the meaning of this section, and shall so notify them in writing.

7.19. WAIVER OF BREACH AND MATERIALITY

7.19.1. Failure by CRA to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

7.19.2. CRA and CONTRACTOR agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof.

7.20. COMPLIANCE WITH LAWS

CONTRACTOR shall comply with federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations related to this Agreement applicable at the time the scope of services was drafted for this agreement. 7.22. JOINT PREPARATION

Preparation of this Agreement has been a joint effort of CRA and CONTRACTOR and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than any other.
