Dear Sir,

Our city continues to face enormous challenges with safety on our roadways that effects our entire population on a daily basis. We constantly strive to increase the safety of our streets for our pedestrians, bicyclists, motorcyclists and the general motoring public.

The funding provided by The FDOT's Alert Today, Alive Tomorrow campaign for pedestrian and bicyclist safety grant will allow our Department to enhance these efforts and I fully support the proposed project we are submitting.

Thank you for your consideration with our funding request and look forward to working with the Safety Office to make our streets safer.

Sincerely,

Donald J. Lee Jr.  
Chief of Police
