RE: DEVELOPMENT REVIEW COMMITTEE
KEYS ENERGY SERVICES COMMENTS FOR MEETING OF NOVEMBER 15th, 2018

Dear Planning Director:

Keys Energy Services (KEYS) received the Development Review Committee Agenda for November 15th, 2018. KEYS reviewed the items that will be discussed at the City's Development Review Committee meeting.

Below are KEYS' comments:

LOCATION: 5610 College Road – Conditional Use
COMMENT: KEYS has no objection to this conditional use request. There is single-phase high voltage to service this project at 120/240 volts. If three phase is needed, the applicant will need to pay for the line extension per KEYS policy. However, KEYS will need a completed project review form to ensure that adequate power is provided to the property and surrounding customers.

LOCATION: 1020 18th Terrace – Amendment to a Conditional Use
COMMENT: KEYS has no objection to the conditional use request.

Thank you for giving KEYS the opportunity to participate in the City's review process. If you have any questions, please call me at 305.295.1055.

Best regards,

Matthew Alfonso
Supervisor of Engineering
