To All-

The awarding of the low bid for ITB 19-003 to Beach Raker, LLC will be on the agenda for the commission meeting for Tuesday January 15th. All of the bid information, executive summary, bid tabulation, and both bids are available on the agenda on the City website(cityofkeywest-fl.gov).

We are still under a cone of silence until after the commission meeting so be aware any responses may need to be included in the commission packet.

Thanks

Michael Turner
