Jim

We have discussed extending this contract with our corporate office. Because of the small areas of work and the low unit price for sidewalks and curbs that includes demo we have decided to pass on the contract extension. We are more than willing to continue to do work for the city under the General Services contract.

Thanks you for the opportunity to extend.

Subject: FW: 2017 ROW Contract Extension

Paul:

The 2017 Right of Way Improvements contract with the City of Key West (Resolution No. 17-106) is set to expire in April 2019. The Contract Between City of Key West and D.N. Higgins, Inc. provides for the option of one (1) one (1) year extension. The City would like to extend your contract for an additional year. If you concur, please provide a letter signed by an officer the company requesting the extension in accordance with the above referenced resolution and contract.

Feel free to contact Kelly Crowe, City Engineer or me to discuss and please email me to confirm receipt of this notification. We look forward to continuing to work with your company.

This extension will not be valid until ratified by the City Commission. We are targeting a March City Commission meeting for approval.
