

COMMENDATION

School Resource Officers (SROs)
and The Key West Police Dept, The School Board,
and Key West City Manager & Staff

This commendation is presented by the City of Key West Commission
with gratitude for enhancing the safety of our community's public schools

Thanks to coordinated efforts between the city, the police department, and the School Board of Monroe County, three more SROs were added to the schools even before it became a federal mandate. There is now an SRO on every public school campus. These officers have conducted themselves with professionalism, enhancing the safety and operations of our school community by teaching parents about internet safety, instituting the "Text to Tip" program in grades 3-5, creating and evaluating drills, outfitting students with bike helmets, mentoring students, making presentations to classes about bullying, stealing and hitting, assisting with traffic control, being vigilant about suspicious activity and possible threats, and conducting child welfare checks.

In recognition of this honor, the City of Key West hereby presents this Commendation to:

SCHOOL RESOURCE OFFICERS (SROs)
