Hi Karen:

Please see the attached letter from our pool company regarding multiple pool leaks due to the tree roots from the tree we would like to have removed. Also, I spoke to our neighbors Paul & Heather Monsour and they would be very much in favor of the tree being removed. They expressed concern over the potential issues, in a hurricane, of the branches that hang over their home.

Thanks, Tom

To: The Tree Commission:

The Pool Man of Key West have been servicing Mr. and Mrs. Bray's home at 906 Johnson Street, Key West for several years. We advise that the tree in question be removed due to numerous tree roots causing multiple leaks in the pool over the past few years.

Sincerely,
Paulette & Danny
