Ken:

Attached is a copy of an administrative hearing notice that is being mailed out tomorrow. This abuse was discussed at the September 9, 2019 Tree Commission meeting and I was asked to file an enforcement case by the Tree Commissioners. It might be a good idea to have Michael review the tree and give an opinion as to what he thinks should be done to help the tree thrive in the future.

In the past, besides fining the contractors, one of the conditions that the Tree Commission has requested when there is a tree abuse issue is a plan of corrective action with the future health of the tree emphasized. Usually this is an arborist report with an immediate plan of action and a revisit by the arborist 1, 2 or 3 times afterward. This will also require the owners approval and signature. Please let me know your thoughts as to this issue.

Sincerely,

Karen
