

To Whom It May Concern:

My name is Tom McLaughlin

I am writing in support of the expansion of Montessori Children's School of Key West to 1217 Varela Street. I have absolutely no issues with the school. The occasional traffic during morning drop off and afternoon pickup period is offset by the additional parking in the afterhours and on weekends.

Also, I have no problem with the proposed picket fence continuation along the property line. The existing wood picket fence looks appropriate for the historic neighborhood and will cover the non-existing historic look of the existing block wall house on 1217 Varela St.

I do not believe the small expansion of the school property will diminish the value of properties in the neighborhood.

Sincerely,

11-2-2019

Tom McLaughlin
