- **FKTCC:** Will provide update on the 2/14 minutes
- **TAF:** No activity.
- **Cow Key Bridge:** No update
- **FDOT Grants:** Grant approved, funding will begin July 2020. Provided example plans for FDOT and editing per their requests. Working on the 2020 Grant Cycle TAP.
- **Bikeshare/Carshares:** Due to the financial instability of respective industries, would not recommend the city pursue spending money towards the acquisition of either. Carshare would require a revenue guarantee and Bikeshare would require a consistent subsidy.
- **Micromobility Devices:** Living Document and library of articles collected. If tasked to make recommendations, will make recommendations upon request based on these collected pieces of information. Will work with city on travel related regulations for ordinance.
- **Complete and Sustainable Streets Ordinance and Checklist & Vision Zero:** Working on Guidebook and checklist
- **Bicycle Parking and Land Use:** Legal requested updates and financial estimates to be associated with Staff report.
- **DRC:** No update transportation related
- **Monroe County Health Policy:** Discussed Vision Zero with county to pursue a potential county wide vision zero policy.
- **Bike Parking:** Data collection complete. Bike parking in planning process with city management. Identified areas to receive bicycle parking.
- **Right of Way Work:** Worked with the Engineering department to maximize mobility and make Greene Street improved for pedestrian access. Upcoming projects to be updated based on the pavement plan.
- **Upcoming FY Plans:**
 - Maintain consistent funding towards bicycle parking
 - Budget for the planning of the Salt Ponds Trails
 - Create a budget for engineering to install short-term traffic calming measures to test aspects of designs
 - North Roosevelt Improvements
 - Transit plans
