

Madam Mayor and esteemed Commissioners,

My name is Captain William O Wickers III owner/operator of Linda D IV and Linda D V, slip(s) Amerjack 19 and 20. Please accept this letter as a request to issue a 3 Month rent abatement at the Garrison Bight City Marina also known as Historic Charter Boat Row. As a long time tenant since 1990, the COVID-19 Pandemic has caused a grave financial hardship upon my business and my family.

At this point I respectfully request the City Commission and the Mayor to give us the months April, May, and June 2020 rent abatement.

Highest Regards,

Captain William O Wickers III
