Subject: Planning Commission Variance Request

Hello Ms O'Brien.

Could you please bring the attached letter to the attention of the planning board for the next hearing.

I have also included it here on this page.

Thank you.

Best regards,

Mike Charavell.

To the City of Key West Planning Board:

I support Capt Bill Grosscup's variance request at 13 Hilton Haven.

He has been a long time member of the community serving on various boards and community minded organizations, such as Key West CARES and the Propeller Club. He also has many hours of volunteering for non-profit entities in town.

It seems a small thing. Please grant his variance.

Thank you.

Regards,

Michael Charavell
