Brian:

The sour orange tree is now dead, therefore, as per city ordinance, no permit is required to remove a dead tree and I will withdraw your removal application.

Sincerely,

Karen

I received the letter regarding the replacement tree. I don't think our replacement will be that large to start. You mentioned there are other alternatives for replacement, e.g. contribute a tree or pay for a tree for the city to plant. What would the cost be for those alternatives. Thanks for your help.

By the way, the tree no longer has any leaves and appears to be completely dead.

Hi Brian,

I'm working on the agenda for the December 8 Tree Commission meeting. Do you still want me to place your application on this agenda?

Sincerely,
