To Whom It May Concern:

We are the owners of 411 Porter Lane in the Porter Court Condominium Assoc. The owners of 412 have expressed a desire to remove the existing Mahogany Tree on their property. Though we will lose shade and privacy, we believe removing the tree will eliminate numerous potential problems for the owners of 412.

A handwritten signature in black ink, appearing to read "Jeff & Tammy Smith", is written over the printed name.
