RE: **Administrative Hearing for 6 Kestral Way (TC2021-0002)**

FROM: Karen DeMaria, City of Key West Urban Forestry Manager

On January 6, 2021 a complaint was received regarding the removal of a gumbo limbo tree at 6 Kestral Way. A site inspection determined a gumbo limbo tree was being removed by the property owner without benefit of a tree removal permit or a danger document from a certified arborist.

The Gumbo Limbo tree measured 8 inches diameter.
