Subject: RE: Late addition RE: 3.25.21 DRC Agenda

Good Morning,

My Comments for Item 3:

- Could the applicant provide an image of the bicycle parking design sometime in the future to see if it's trying to seek out the base standards laid out on page 58 of the [Bicycle Pedestrian Master Plan](#)?

While this is not required of applicants, it is recommended to benefit the transportation of the City.

- What will occur with the current residents during construction and once the project is completed?
