## Commissioners,

**In this morning's Key West Citizen this is in reference to the article on the Key West Housing Authority, Board or Director's. It is very apparent that the mayor is discriminating against the age of the members of the Board. This could very well lead to possible Law Suits. I strongly believe that the Commission knows that a seven member board is absolutely unnecessary everything has been working just fine with this five member board. This is a self-initiative by the mayor to appoint two members that she has promised the a appointments too and the main one is Bryan Green. Please do not support this unnecessary Ordinance this is her PERSONAL initiative. Thank you, take care and be safe.**
