

Historic Architectural Review Commission Staff Report for Item 8

To: Chairman Bryan Green and Historic Architectural Review Commission Members

From: Kathleen McDonald, MHP
Historic Preservation Planner II

Meeting Date: May 25, 2021

Applicant: Will Shepler

Address: #1316 Royal Street/1319 William Street

Description of Work:

Major Development Plan – Construction of six new single-family residences.

Site Facts:

The site under review is situated between the 1300 blocks of William and Royal Streets. The site currently contains three structures on the west side of the property facing William Street. One of the structures fronting William Street is a historic, non-contributing two-story structure that was built in 1969. The second is a one-and-a-half-story structure fronting William Street. The third is a one-story structure, which is utilized as a connector between the first and second structures. The second and third structures were built sometime between 1984 and 1994, making them non-historic, non-contributing structures to the historic district. The east side of the property is currently vacant.

The property was previously used by the Hospice and Visiting Nurse Association, but it has been converted into residential use. The property currently has 8 units: 6 beneficiary use units and 2 units awarded through BPAS. 2 units are being utilized for the existing structures fronting William Street, while the remaining 6 units would be utilized for this application. A conceptual landscaping plan has been reviewed by the Tree Commission, and the Planning Board approved the Major Development Plan at their meeting on April 22nd, 2021.

The applicant previously came to HARC in December 2019 with plans to construct a duplex on this site; however, the applicant withdrew that proposal in order to review the whole site and consider options for a Major Development Plan.

Guidelines Cited on Review:

- Guidelines for New Construction in the Historic District (pages 38a-38q), specifically guidelines 1, 2, 7, 8, 9, 11, 13, 14, 17, 18, 21, 22, 23 and 24.
- Guidelines for Parking Areas, Landscaping and Open Space Environment (page 43), specifically guidelines 2, 3 and 6.

Staff Analysis:

The Certificate of Appropriateness under review proposes 6 new two-story, single-family residences on the property located at 1316 Royal Street/1319 William Street. Each unit is proposed to have its own pool, deck, and parking space. All units are proposed to have cementitious clapboard siding and 5v-crimp metal roofing.

Units 1 and 2 would front Royal Street; unit 1 would be 25 feet in height, while unit 2 would be 27 feet in height. Units 3 and 4 would sit on the interior of the lot behind units 1 and 2; unit 3 would be 25 feet in height, while unit 4 would be 27 feet in height. Units 5 and 6 would sit on the interior of the lot behind the units fronting William Street; unit 5 would be 25 feet in height, while unit 6 would be 27 feet in height. The proposed heights of the new units would create a transition between the heights of the existing buildings on the streetscape.

The site plan was modeled after several lanes in Key West, namely Baptist, Hutchinson and Love Lanes. This “Lane-type” layout would reduce the impact of parking on the streetscape and would allow for unit frontage on Royal Street. With a frontage on Royal, units 1 and 2 would have front porches to create a pedestrian orientation on the street.

Consistency with Cited Guidelines:

Staff finds the proposed Major Development Plan to be consistent with the cited guidelines. The block where the proposal site is located contains both residential and sacral typologies of different scales. The block contains 4 historic and contributing residential structures that were built between 1930 and 1948; 2 of these structures are one-story, and the other 2 are two-story. The block also contains 1 historic, non-contributing two-story residential unit and 1 non-historic, non-contributing one-and-a-half-story residential unit. This block is also the location of the B’nai Zion synagogue, which fronts United Street. When considering this application, staff took into consideration the differing scale of the residential units on the block and how a transition between them would be best achieved by this proposal.

Staff finds that the proposed scale of the new, two-story units is compatible with the block in which they would be located and will create a transition in height, as to not overshadow surrounding historic structures. This transition scales down from the heights of the 2 historic, two-story structures to the south of the lot and proposes a lower height of 25-feet for the units that would be adjacent to the 2 historic, one-story structures to the north of the lot.

The style in which the units are designed is compatible with the district. Units 1 and 2, which are the only units that have a frontage on the streetscape, were designed with front porches to create a pedestrian orientation on Royal Street. The proposed roof forms, dormers, and windows are

proportionate and compatible with the architectural style of the new buildings. The proposed materials are compatible with new construction and are materials typically used throughout the historic district.

The site plan in this proposal also encourages a visual link between the public and private realms on Royal Street, as the “Lane-type” layout decreases the impact of parking and allows for building frontage. The brick paving proposed is encouraged by the guidelines over other materials such as asphalt or concrete. The landscaping proposed along Royal Street allows for over 50 percent of the frontage to be green space, which is also encouraged by the guidelines for Parking Areas, Landscaping and Open Space Environment.

CITY OF KEY WEST
CERTIFICATE OF APPROPRIATENESS
APPENDIX FOR DEMOLITIONS
APPLICATION NUMBER H-____-____-____-

This document applies only to those properties located within the City of Key West Historic Zoning Districts, properties outside the historic zoning districts which are listed as contributing in the Historic Architectural Survey and or properties listed in the National Register of Historic Places.

Applications must meet or exceed the requirements outlined by the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitation and the Key West's Historic Architectural Guidelines. Once submitted, the application shall be reviewed by staff for completeness and scheduled for presentation to the Historic Architectural Review Commission for the next available meeting, unless the demolition request is for a *bona fide* Code Compliance case, in which case staff may review and approve the demolition request. **The applicant must be present at this meeting. Any person that makes changes to an approved Certificate of Appropriateness must submit a new application with such modifications.**

The filing of this application does not ensure approval as submitted. Applications that do not possess the required submittals or documentation will be considered incomplete and will not be reviewed for approval.

CRITERIA FOR DEMOLITIONS

Before any Certificate of Appropriateness may be issued for a demolition request, the Historic Architectural Review Commission must find that the following requirements are met (please review and comment on each criterion that applies);

- (1) If the subject of the application is a contributing or historic building or structure, then it should not be demolished unless its condition is irrevocably compromised by extreme deterioration or it does not meet any of the following criteria:

- (a) The existing condition of the building or structure is irrevocably compromised by extreme deterioration.

Nonhistoric portions of the Hospice/ VNA offices to be removed.

OR THAT THE BUILDING OR STRUCTURE;

- (a) Embodies no distinctive characteristics of a type, period, or method of construction of aesthetic or historic significance in the city and is not a significant and distinguishable building entity whose components may lack individual distinction.

The additions to be removed embody no distinctive characteristics of a type, period, or method of construction of aesthetic or historic significance in the city and is not a significant and distinguishable building entity whose components lack individual distinction

- (b) Is not specifically associated with events that have made a significant contribution to local, state, or national history.

While the Hospice/ VNA is an important service to the community, the portions of the building proposed for removal are not specifically associated with events that have made a significant contribution to local, state, or national history

- (c) Has no significant character, interest, or value as part of the development, heritage, or cultural characteristics of the city, state or nation, and is not associated with the life of a person significant in the past.

Again, the Hospice/ VNA building is important service to our community and served many of loved ones well,
however the portions of the building proposed for removal have no significant character, interest, or value
as part of the development, heritage, or cultural characteristics of the city, state or nation, and is not associated
with the life of a person significant in the past.

- (d) Is not the site of a historic event with a significant effect upon society.

As mentioned above, the Hospice/ VNA building is important service to our community and
served many of loved ones well, the office building itself is not the site of a historic event with a
significant effect upon society

- (e) Does not exemplify the cultural, political, economic, social, or historic heritage of the city.

The portions of the building proposed for removal do not exemplify the cultural, political, economic, social,
or historic heritage of the city

- (f) Does not portray the environment in an era of history characterized by a distinctive architectural style.

The portions of the building proposed for removal do not portray the environment in an era of history
characterized by a distinctive architectural style

- (g) If a part of or related to a square, park, or other distinctive area, nevertheless should not be developed or preserved according to a plan based on the area's historic, cultural, natural, or architectural motif.

The building is not part of a square or a park.

- (h) Does not have a unique location or singular physical characteristic which represents an established and familiar visual feature of its neighborhood or of the city, and does not exemplify the best remaining architectural type in a neighborhood.

The portions of the building proposed for removal do not have a unique location or singular physical characteristic
which represents an established and familiar visual feature of its neighborhood or of the city, and does not
exemplify the best remaining architectural type in a neighborhood.

- (i) Has not yielded, and is not likely to yield, information important in history.

The building has not yielded, and is not likely to yield, information important in history

CITY OF KEY WEST
CERTIFICATE OF APPROPRIATENESS
APPENDIX FOR DEMOLITIONS
APPLICATION NUMBER H-____-____-____-

(2) For a contributing historic or noncontributing building or structure, a complete construction plan for the site is approved by the Historic Architectural Review Commission.

(a) A complete construction plan for the site is included in this application

☒ Yes Number of pages and date on plans _____
☐ No Reason _____

The following criteria will also be reviewed by the Historic Architectural Review Commission for proposed demolitions. The Commission shall not issue a Certificate of Appropriateness that would result in the following conditions (please review and comment on each criterion that applies);

(1) Removing buildings or structures that are important in defining the overall historic character of a district or neighborhood so that the character is diminished.

Removing the portions of the building as proposed are not important in defining the overall historic character of a district or neighborhood so that the character is diminished

(2) Removing historic buildings or structures and thus destroying the historic relationship between buildings or structures and open space; and

Removing the portions of the building as proposed will restore the historic relationship between buildings or structures and open space

AND

(3) Removing an historic building or structure in a complex; or removing a building facade; or removing a significant later addition that is important in defining the historic character of a site or the surrounding district or neighborhood.

Removing the portions of the building as proposed will restore the historic character of the structures

(4) Removing buildings or structures that would otherwise qualify as contributing.

The buildings are not contributing. They are simply 52 years old.

Nothing in this application is intended to alter the authority of the Building Official to condemn for demolition dangerous buildings, as provided in Section 102-218 of the Land Development Regulations and Chapter 14 of the Code of Ordinances.

*I hereby certify I am the owner of record and that the work shall conform to all applicable laws of this jurisdiction. By receiving a Certificate of Appropriateness, I realize that this project will require a Building Permit, approval **PRIOR to proceeding with the work outlined above** and that there will be a final inspection required under this application. I also understand that any **changes to an approved Certificate of Appropriateness must be submitted for review.***

TREE PROTECTION AND PRESERVATION NOTES

- Protect designated existing trees scheduled to remain against:
 - Unnecessary cutting, breaking, or skinning of roots
 - Skinning and bruising of bark
 - Smothering of trees by stockpiling construction or excavation materials within protection barrier
- Protection barriers (tree barricades) shall be plainly visible and shall create a continuous boundary around trees or vegetation clusters in order to prevent encroachment within the barricade.
- For all trees to be preserved, see Tree Protection and Barricade Elevation detail.
- No grade changes shall be made within the protective barrier zones without prior approval.
- The method of protection is to make certain that 50% of the area under the canopy dripline remains undisturbed (no grade change or root cut) and there shall be no disturbance to the root plate.
- General contractor shall be responsible for the replacement and mitigation costs of trees damaged beyond repair that have been identified as protected and preserved. If trees are harmed through lack of protection or through negligence on the part of the contractor, the contractor shall bear the burden of the cost of repair or replacement.
- Root pruning shall be done by or under supervision of an ISA certified arborist, and meet or exceed ANSI A300 or approved tree care industry standards. A certified arborist must be onsite during the entirety of root pruning.
- No root pruning shall be done within a distance of 3x the diameter the tree unless authorized by the arborist.
- No more than 30% of the trees roots may be pruned.
- A pruning trench shall be cleared in a way that exposes the roots while leaving them intact. Use hand tools or an air knife. Limits of trench to be determined by the arborist.
- All roots outside of the protective barricade to be removed during the development shall be severed clean using a sharp tool to provide a clean cut. Roots shall be left with clean smooth ends and no ragged edges and a two-inch layer of mulch shall be applied over the surface of exposed roots during development within one hour of damage or exposure.
- After pruning, tree roots shall be covered and kept moist. Fill pruning trench with topsoil and water daily for a period determined by the arborist.

1316 ROYAL STREET
KEY WEST, FLORIDA

NOTICING

Public Meeting Notice

The Historic Architectural Review Commission will hold a public meeting at **5:00 p.m., May 25, 2021 at City Hall, 1300 White Street**, Key West, Florida. In order to view the live feed of the meeting, you can tune in to Comcast channel 77, AT&T Uverse channel 99, or type this link into your browser:

http://keywestcity.granicus.com/MediaPlayer.php?publish_id=1&embed=1 If you wish to participate virtually, please contact HARC staff at 305-809-3975. The purpose of the hearing will be to consider a request for:

MAJOR DEVELOPMENT PLAN – CONSTRUCTION OF SIX NEW SINGLE-FAMILY RESIDENCES. DEMOLITION OF NON-HISTORIC ADDITIONS AT EXISTING STRUCTURES FACING WILLIAM STREET.

#1316 ROYAL STREET/1319 WILLIAM STREET

Applicant – Will Shepler Application #H2021-0018

If you wish to see the application or have any questions, you may visit the Planning Department during regular office hours at 1300 White Street, call 305-809-3975 or visit our website at www.cityofkeywest-fl.gov.

THIS NOTICE CAN NOT BE REMOVED FROM THE SITE UNTIL HARC FINAL DETERMINATION

ADA ASSISTANCE: It is the policy of the City of Key West to comply with all requirements of the Americans with Disabilities Act (ADA). Please call the TTY number at 800-955-8771 or 800-955-8770 (Voice) or the ADA Coordinator at 305-809-3811 at least five business days in advance for sign language interpreters, assistive listening devices, or materials in accessible format.

HARC POSTING AFFIDAVIT

STATE OF FLORIDA:
COUNTY OF MONROE:

BEFORE ME, the undersigned authority, personally appeared Nikita Stange, who, first being duly sworn, on oath, depose and says that the following statements are true and correct to the best of his/her knowledge and belief:

1. That a legal notice for Public Notice of Hearing of the Historic Architectural Review Commission (HARC) was placed on the following address: 1319 William + 1316 Royal KW, FL 33040 on the 7 day of May, 2021.

This legal notice(s) contained an area of at least 8.5"x11".

The property was posted to notice a public hearing before the Key West Historic Architectural Review Commission to be held on May 15th, 2021.

The legal notice(s) is/are clearly visible from the public street adjacent to the property.

The Certificate of Appropriateness number for this legal notice is H 2021-0018.

2. A photograph of that legal notice posted in the property is attached hereto.

Signed Name of Affiant:

Nikita Stange
Date: 5/10/2021
Address: 1421 First
City: KW
State, Zip: FL 33040

The forgoing instrument was acknowledged before me on this 10th day of May, 2021.

By (Print name of Affiant) Richard Puente who is personally known to me or has produced identification and who did take an oath. as
