Mark,

Good morning, and thanks for reaching back out to me. That is an unfortunate turn of events. We can certainly still assist you, and to help make it easy, I will match the rate I provided last Fall. With delivery forthcoming, time is of the essence, so we need to work quickly to get this taken care of.

If you want to get things started, I have attached the appropriate credit application for your review and completion. I was able to locate many of your past audits online, and would therefore only need to have this application returned with the following financial information:

- Year ending September 30, 2020 audit
- Year to date internal revenue vs. expenditure report for the current fiscal year (October 1, 2020 – April 30, 2021)
  - This can be expressed as 'budget vs. actual' as well. Any internal format will work.

If you have any questions, be sure to let me know. Thanks, Mark.

Regards,

### **Blake J. Kaus**
