

Key West Fire Rescue Paramedic Training Agreement

This is to confirm that Southeastern Medical Academy has agreed to provide contract Paramedic training to the City of Key West Fire Rescue tentatively scheduled for October 1, 2021. The training will take place at Key West Fire Station #3 1525 Kennedy Drive Key West Florida 33040. During this training both parties agree that the attendees will be Key West Fire Rescue employees and Key West Fire Rescue will provide any and all payments, which is a rate of \$7800 including all fees. In addition, during the training the students will not be subject to call in accordance with 64j-1.020. Southeastern Medical Academy will maintain instruction pursuant and compliant with 64j-1.021. All equipment is available for the training. The classroom content will be the same as licensed by Florida CIE and Florida DOH and in compliance with CAAHEP and CoAEMSP standards.
