ADDENDUM NO. 1

E-DOCK 3-PHASE PEDESTAL UPGRADE KEY WEST HISTORIC SEAPORT ITB #21-018

The information contained in this Addendum adds information to be included in the Bid and is hereby made a part of the Contract Documents. The referenced bid package is hereby addended in accordance with the following items:

QUESTIONS/ CLARIFICATIONS:

1. The table of contents part 2 and item 12 page 5 states that a payment and performance bond is not required. The advertised solicitation states that a bid security of 5% is required with the bid. Please confirm if payment and performance bonds are required for this project. There are several contradictions in the bid docs that make this unclear. Are we just supposed to provide a bid bond?

Per the Contract Documents all BIDS must be accompanied by a BID SECURITY in the form of cash, a certified check, a cashier's check or a bid bond. PAYMENT and PERFORMANCE BONDS are not applicable to this ITB.

2. Page 4 -item 6.C of the Instructions to Bidders asks for the bidders experience for metal building construction. Are we to provide references for metal building construction or marine dock wiring?

“new or major retrofit metal building construction” wording to be replaced with “marine electrical”

3. The term of the contract is stated as 45 days. The lead time on the equipment may exceed the 45 day duration. We request that the contract time be extended to 60 days.

Contract time to remain 45-days. Notice to Proceed will take material lead times into consideration.

4. Page 39, License Requirement states that the bidder must be a general contractor, building contractor or engineering contractor. Electrical contractor is not listed as an

acceptable bidder for this project. Can a electrical contractor bid this project as the prime contractor or will we have to work under the listed professions?

Add “Electrical Contractor” to listed professionals

All other elements of the Contract and Bid documents, including the Bid Date shall remain unchanged. All Bidders shall acknowledge receipt and acceptance of this **Addendum No. 1** by submitting the addendum with their proposal. Proposals submitted without acknowledgement or without this Addendum may be considered non-responsive.
