Subject: Upcoming Planning Board Meeting

Dear Mr. Holland,

I am writing to ask that you please take our concerns to heart and help protect our historic neighborhood from further commercial encroachment. We are greatly opposed to the parking, e-scooter, food truck variance/conditional use requests

proposed by Mr. Marc Meisel, as these would serve to devalue what we hold dear;
a clean, quiet, safe, and peaceful place to live (and park).

Thanks for your consideration,

Mary Ann Matter
