Jesus,

I would like to confirm your bid price. You submitted a total of \$397,770. I have recalculated and come up with \$398,220. A difference of \$450. Under Core System Items-Software Lic Cost you have a total of \$4,498.17. I come up with \$4,948.17. A difference of \$450. Do you agree?

Thanks,
