SUBJ: HARDSHIP TRANSFER OF MOBILE VENDOR PERMIT FOR MEDICAL REASONS  
(MVL #2018-000222)

23 June 2019

Dear Mr. Scholl:

I spoke to my friend Joe Sweeney this weekend and he advised me of his meeting with you and Mr. Young on Friday. I appreciate your understanding that my move to Key West from Charlotte later this summer has been delayed due to medical issues regarding my wife. Our move to Key West is now not possible, probably not for 18-24 months at the earliest to my retirement. Joe is the logical choice to take over my permit as he knows the streets, the business, and I trust he will continue to do a great job on Duval, and also at private venues around the Keys as he has for years.

Therefore, this is to respectfully request a hardship transfer of my mobile vendor license (MBV #2018-000222) under the guidelines set forth in City Ordinance 18-325 (Transferability of Vendor License) to **JOSEPH A. SWEENEY, 1501 LEON STREET, 1ST FL, KEY WEST, FL, 33040.**

I hope the City and mobile vendors can continue to find common ground and exist peacefully for years to come. I thank you again for your understanding of my situation, and I appreciate you permitting me this way out to take care of my family and business here in NC.

Sincerely,

*JAMES P. CARR*
