

REQUEST FOR QUOTE

City of Key West

3140 Flagler Ave

Key West, FL 33040

June 3, 2013

The City of Key West is requesting a quote for surveying and mapping for the rights-of-way of United Street from Leon Street to White Street. Work includes the following:

1. Specific Purpose Survey of the rights-of-way boundary for United Street:
 - a. Coverage to include United Street from Leon Street to White Street.
 - b. Survey to indicate rights-of-way as platted as well as field monument.
 - c. Rights-of-way line to be clearly defined and monumented.
 - d. Centerline of rights-of-way to be clearly defined and monumented every 100.0’.
 - e. All encroachments to be located and defined by measurement and description.
 - f. Elevations to be given every 25.0’ along the right-of-way line, centerline, flow line, top of curb and/or front of sidewalk and back of sidewalk.
 - g. Elevations to be given every 5.0’ at all corners for a distance of 30.0’.
 - h. Locate all features 1.0’ beyond the rights-of way including but not limited to: driveways, walkways, curbs, fences, utilities, utility poles, buildings, steps, doors, gates, vegetation, etc....
 - i. Locate all features within the rights-of way including but not limited to: driveways, walkways, curbs, edge of pavement, fences, utilities, utility poles, buildings, steps, doors, gates, vegetation, etc....
 - j. Provide elevations of all manholes and storm water grates.
 - k. Control points set at site, both horizontal and vertical for future construction.
 - l. Vertical Datum used will be the National Geodetic Vertical Datum of 1929.

2. Digital File in AutoCad 2012 or earlier, PDF file and four printed signed and sealed copies of the survey shall be provided

Questions or to arrange a site visit, please contact Karen Olson at the City of Key West Engineering Services Department, 305-809-3963.

LUMP SUM TOTAL \$ _____

Total in Words: _____
