Dear Madam Mayor and City Commissioners,

re: Bayview Park baseball field

As someone who is both old and “old-school”, I would be reluctant to replace the grass field with artificial turf. Unlike our sons, I didn’t grow up here, nor have I ever played baseball at Bayview Park, but from what I’ve read these are hallowed grounds that I would be reluctant to cover. I can’t help but think of baseball and the smell of grass, that with care, has replenished itself for generations. Admittedly, I don’t know all the pros and cons, but manufactured turf does wear out.

Thank you for letting me share my opinion.
