GROW FROM WITHIN – CELEBRATING OUR TEAM’S SUCCESS –

Three Promotions in August 2025!

One of the great things about working for the City is the opportunity to grow your career right here at home. Internal applicants—those who have completed at least six months with us—get the first chance to apply for open positions before they’re shared with the public.

We look forward to supporting the professional goals of all our employees as we continue building a strong, knowledgeable, and passionate team.

NEW EMPLOYEE ENGAGEMENT – Human Resources has launched a new way to stay connected with our newest team members—email check-in surveys at 30 days and six months.

The 30-day survey gives employees a chance to share their first impressions, highlight collaborative efforts, and provide feedback on the initial training for their role.

The six-month survey marks the end of the probationary period—a milestone worth celebrating! It focuses on leadership, growth opportunities, and the overall work environment.

Please rate the City's leadership team.
