

## MEMORANDUM

---

Date: July 1, 2026

To: Honorable Mayor and Commissioners

From: Brian L. Barroso  
City Manager

Subject: **Adopt a Drain Presentation**

---

I am requesting that the Adopt-a-Drain program be placed on the City Commission Agenda, scheduled for July 1, 2026, for the purpose of providing a presentation and overview of the City's community-based stormwater volunteer initiative. Adopt-a-Drain is intended to help reduce localized flooding during the rainy season, improve stormwater management, and protect local waterways by encouraging residents, businesses, and neighborhood groups to monitor and keep the surface areas around nearby storm drains clear of leaves, litter, and other debris. The presentation will also highlight volunteer safety guidelines, proper debris disposal, and the program's role in promoting environmental stewardship, cleaner neighborhoods, community pride, and protection of the City's canals, nearshore waters, and ocean.
