City Clerk
The City of Key West

Keri O'Brien,

We are responding to a notification that we received from the planning department in reference to item number 00000290-000000. This is in reference to an amendment to a conditional use of approval for 50 additional golf carts for a property at 114 Simonton Street. Date of hearing: July 19, 2023 at 5 PM.

We are presently out of town, and we are unable to attend the hearing, we will be out of town until the end of September.

My name is Daniel M Schiavone, my partner and I live at 157 Simonton Street and we already have an excessive amount of traffic at the intersection of Greene and Simonton. We are both opposed to approving this application.

We thank you in advance for your consideration in this matter.
