Reviews for this vacation house rental in Key West, Florida

Rating

5 out of 5 **1419 Vonphister**

Petah **St. Thomas, Virgin Islands**

Review Submitted: January 24, 2011 Date of Stay: January 2011

We had an excellent stay at this house in January 2011. The house was perfectly clean upon arrival, and everything worked. The kitchen was completely equipped with every utensil and amenity needed. Abundant sheets and towels. The description and pictures painted a very accurate picture so there were no surprises. Being a bit out of town proved perfect, allowing us to live in a quiet community setting, and have nice bike rides into town for diner. Great house, great layout, great realtor service.
