

MEMORANDUM

Date: November 9, 2023

To: Honorable Mayor and Commissioners

Via: Albert P. Childress 
City Manager

From: Marcus Davila
Director of Community Services

Subject: **Authorize the purchase of a Tymco 600 Street Sweeper**

Introduction

Authorize the purchase of a Tymco 600 Street Sweeper from Container Systems and Equipment Co., Inc. for \$422,834.00 via the Florida Sheriffs Association and Florida Association of Counties, FSA23-EQU21.0 Heavy Equipment utilizing a previous procurement under Sec 2-797 (3) Purchases and acquisitions under contracts of federal government and the state or its political subdivisions.

Background

The Community Services Department currently only has one newer street sweeper with a warranty in place. The other sweepers are older and in constant need of expensive repairs a lot of the time having to be taken out of town to have work done. This vehicle is used by Community Services to clean City streets on a regular basis and to assist in the cleanup of special events. This street sweeper will give us the ability to clean streets outside of the Duval corridor more regularly.

The terms and conditions of the original contract are extended and guaranteed to any and all units of local governments and political subdivisions including, but not limited to, county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida.

The vehicles are all listed in the Florida Sheriffs Association and Florida Association of Counties. There are options listed as add/delete in the bid that allow the end user to configure the equipment according to his/her requirements.

City staff has determined through informal solicitation that the contract price is fair and reasonable. The required equipment is not available locally.

Procurement

Purchase of a Tymco 600 Street Sweeper is funded under the Internal Improvements/Streets/Machinery and Equipment 102-4102-541-64, and was originally budgeted for \$426,784.00.

Recommendation

The City Manager recommends authorizing the purchase of a Tymco 600 Street Sweeper from Container Systems & Equipment Co., Inc. for a total of \$422,834.00. The purchase is being done under a previously competitive bid by the Florida Sheriffs Association and Florida Association of Counties.
