Good afternoon

My name is George Lennox and I live at 817 Terry Lane in Bahama Village.

My home is directly adjacent to Ramshead and I have lived here full time since 2003.

It has come to my attention that some of my neighbors have complaints re: the Ramshead operation.

I feel it is important to point out that not everyone is unhappy.

I was instrumental in working with the previous owner and establishing covenants for the operation.

In my opinion the new owners are upholding the spirit and rules of the covenants.

We have no complaints with the current owners of the property.

Simply put they are good neighbors.

I urge you to consider more than the voice of a vocal few.

Thank you

George Lennox
