Dear Mayor and Commissioners,

I'm writing to support the appointment of Sue Harrison as interim Commissioner for District 5. Besides being a genuinely fine person, one who loves our island deeply, she has unrivaled experience in city government and Commission procedure.

I got to know Sue when she eagerly participated post-retirement in the city's Ambassador Academy, where I was a facilitator. She was delightful, and made her concern for our community clear.

You are all aware of her impressive resume, and I hope you agree that 21 years of experience in one of Key West's most important offices proved her skill at dealing with deadlines and detail, all with the cheerful, collegial spirit that will be vital to the Commission.

It also showed that Sue is utterly impartial, level-headed, efficient and accustomed to dealing with every sector of the community. She's old enough to have acquired impressive civic talents and young enough to put them to work on her first day.

I can't think of a more apt and able candidate to fill the chair of our beloved Mary Lou Hoover and carry on her legacy of hard work, careful judgment, compassion and concern for Key West's future. I hope you appoint Sue as interim Commissioner.

Sincerely,

John Teets
