**Subject:** [EXTERNAL] Removal of mahoganies

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Please reconsider removal of the mahoganies at 97 Golf Club Dr, 3735 Cindy Ave, and 900 Flagler Ave. We only have so many of them, and they provide valuable shade and wildlife habitat.

As a year-round resident of Key West, I highly prioritize retention of mature shade trees on the island, and I know many other locals do as well.

Thank you for your consideration.

Best,

Laura Bernazzoli
