RE: Resolution No. 16-151 and Additional Nighttime Work

Mingo and Company requests an extension of Resolution No 16-151 granting a temporary waiver of certain sound control regulations for work at 2508 North Roosevelt Blvd between the hours of 7:00pm-10:00pm Monday through Friday nights between May 4, 2016 and June 5, 2016 to be extended through August 17, 2016. Mingo and company also requests that night time work be permitted through 4:00am until August 17, 2016 with no waivers of the sound ordinance for the purpose of the installation of fire suppression inside the building which will have no noise impact.

Thank You,

Mingo Castellanos, President
