DURABILITY BY DESIGN

STACKING CHAIR  
**SWIFTSET® HD**

SwiftSet® HD has a distinctive, steel rod frame, unique contoured shell, and a built-in ganging system making it a convenient, durable seating solution for training facilities, conference rooms, convention centers, and more.

### PRODUCT FEATURES

- 1 SUPPORTS MORE THAN 1,000 LBS (454KG)
- 2 LIGHTWEIGHT STEEL FRAME
- 3 DURABLE CHROME FINISH
- 4 SUPERIOR LUMBAR SUPPORT
- 5 SELF-DRAINING SEAT
- 6 TOUGHENED POLYPROPYLENE SEAT & BACKREST
- 7 BUILT-IN GANGING SYSTEM
- 8 NON-MARRING NYLON GLIDES

**12** YEAR LIMITED WARRANTY

MADE IN THE USA

### FINISH OPTIONS

#### SEAT AND BACKREST OPTIONS

#### FRAME FINISH

CHROME

### DIMENSIONS

CHAIR WIDTH	CHAIR DEPTH	CHAIR HEIGHT	SEAT HEIGHT	STACK HEIGHT
22.5" (57CM)	17" (43CM)	34.75" (88CM)	18.75" (48CM)	30 Chairs

### CARTS

SwiftSet® HD Cart

### FRAME

SwiftSet® HD frame is manufactured from 11.2mm [.44"] and 12mm [.472"] chrome plated solid steel rod. It is welded together and is designed so that the chairs nest and stack virtually straight up.

### BACKREST

The backrest is injection molded using toughened polypropylene. The back of the seat is fastened to the back frame using two molded folding tabs which wrap around the steel rod uprights. Seat back provides flexible lumbar support.

### SEAT

Chair seat is injection molded using toughened polypropylene. The bottom of the plastic seat has four 3/8" diameter plastic bosses which protrude downward through the seat frame tabs and are fastened to the tabs using four self-locking, corrosion-resistant steel speed nuts.

### LEGS

The legs are made from chrome-plated steel, and formed so that chairs interlock or "gang" when placed side by side.

### GLIDES

Chair glides are injection molded and made of non-marring nylon. The glides serve as interlocking spacers for stable stacking, prevention of chair-to-chair abrasion, and enhances load-bearing capacity.

### STACKING

SwiftSet® HD chairs are designed to stack densely. Chairs can safely stack 30 units high. Stack height of 30 chairs measure 71" [180cm] high. Each additional chair adds 1.25" [3cm] in overall stack height.

#### WARRANTY

SwiftSet® HD high-density stacking chairs are warranted to be free from defects in materials and workmanship under normal use, service, and handling for twelve (12) years from the date of purchase.

#### SUSTAINABILITY

SwiftSet® HD Stacking chairs are GREENGUARD Certified® and qualify for credits through LEED & other sustainable building programs.

**MITYLITE**™  
DURABILITY BY DESIGN

STACKING CHAIR CART  
**SWIFTSET® HD™**

The SwiftSet® HD™ cart is specially designed for SwiftSet® HD™ Stacking Chairs, but is also compatible with SwiftSet® Stacking Chairs. Manufactured of steel, this cart is one of the smallest yet strongest carts offered by Mitylite.

**PRODUCT FEATURES**

- 1 DURABLE POWDER COATED STEEL FRAME
- 2 EASY TO HANDLE, MOVE, AND STORE
- 3 NON-MARRING WHEELS AND CASTERS
- 4 HOLDS 25-30 CHAIRS

**12** YEAR LIMITED WARRANTY

RE: Creed Howell, City of Key West

Mr. Solomon,

We are pleased to provide a quote for the Network outdoor stacking chairs utilizing the GSA contract pricing structure. The discount to the client is 52.8% off list price, freight is additional. We require a 1/3 deposit with the order.

The sample chair arrived in your warehouse on 6/23.

Network chair attributes include

- Stacks 45 high thereby using less floor space and fewer dollies
- Wire frame zinc powder coating for outdoor use ( sample is not zinc coated)
- Polypropylene seat and back lightweight for stacking and sun resistant
- Excellent price point
- Integrated ganging glide for uniform row set up

Sincerely,  
Sue Ellen Maher

Motivate<sup>®</sup>

SEATING

ADAPT. REACT.  
MOTIVATE.

## MOTIVATE YOUR ENTIRE SPACE

People are on the move, looking for new and innovative ways to get things done. As a result, collaborative spaces are in high demand. The Motivate seating line transforms any space into a dynamic environment, capable of supporting the ways people work. From flexible training areas, to dedicated workstation spaces, to the countless gathering opportunities in between, Motivate boasts an efficient footprint and versatile design that delivers ultimate comfort and adaptability.

**A COMPREHENSIVE OFFERING**  
Motivate offers a complete line of seating that works well together and with other HON products like Voi® workstations.

[hon.com/fabrics-finishes](http://hon.com/fabrics-finishes)

Motivate inspired by Sprout color palette. [hon.com/fabrics-finishes](http://hon.com/fabrics-finishes)

## COMFORT THAT LASTS

Whether gathering for a quick meeting or sitting in a lengthy training session, Motivate delivers the comfort and support you need to stay productive. The advanced contours of the seat and back move with the body to reduce pressure points. As a result, Motivate conforms to each user's movement, so no matter how they sit — or how long they stay — they remain comfortable.

**A. WARRANTY**

The durable construction and fabrics are covered by the HON Full Lifetime Warranty.

**B. COMFORTABLE**

Whether it's a plastic shell or breathable ilira®-stretch material, Motivate chair backs are contoured to cradle your back.

**C. MAXIMIZE SPACE**

Convert any space into usable space in a matter of minutes. Motivate can be stored where it's used — in space-saving high density stacks.

**D. FLEXIBLE**

Flexible chair back technology intuitively provides balance and lumbar support.

**E. NESTING-STACKING CHAIRS**

Nesting and stacking chairs easily move out of the way when not in use, making them perfect for multi-purpose environments.

Motivate inspired by Galaxy palette  
[hon.com/fabrics-finishes](http://hon.com/fabrics-finishes)

**COLLABORATIVE ENVIRONMENTS**  
Motivate blends into a variety of environments. Being lightweight and agile, Motivate is ideal for collaborative areas that serve multiple functions throughout your space.

Motivate inspired by Academy palette.

# ONE FOR ALL

When you want to accommodate a wide variety of users and multi-purpose environments, Motivate is the answer. Every chair in the Motivate offering is easily movable and readily accessible when collaboration is required. With a variety of options for styles, finishes, legs, arms, colors, fabrics, casters and glides, you get exactly what you need. Different spaces require a variety of solutions, and with plastic shell, mesh, or fully upholstered seat and back options, Motivate is the solution that fits them all.

## A SPECTRUM OF COLOR

Thirteen vibrant colors complement any setting or personal taste.

**MEET THE MOTIVATE FAMILY**  
The Motivate offering from left to right, including: task chair, stool, nesting/stacking, high density stacker, four-leg stacker and task stool.

"On-going developments in mobile and computer technology free us from our traditional workspace. We are no longer dependent on a fixed space within the office. Thus people are choosing to work in a more open environment."

Wolfgang Deisig  
Designer of Motivate

#### Frequently Asked Questions

1. What does this Protection Plan cover?

This plan covers all accidental stains as well as accidental damage to your product. It also covers structural damage after the manufacturer's warranty has expired for all products used in residential settings.

2. What's covered under "accidental damage?"

In terms of accidental damage, this plan covers all unintentional stains, rips, tears, burns, punctures, gouges, chips, dents, and water rings.

3. What's covered under "structural damage?"

When it comes to structural damage, this plan covers:

- Structural or component failure due to a defect in workmanship
- Checking, cracking, bubbling, or peeling of the coating on finishes or hard surfaces
- Loss of silvering in mirrors
- Mechanical and electrical failures
- Broken frames
- Broken glass and mirrors
- Broken mechanisms

4. Once I've purchased a plan, when does my coverage begin?

Coverage for accidental damage begins the day your product is delivered. Coverage for structural damage begins the day your manufacturer's warranty expires.

5. What isn't covered by this plan?

This plan does not cover damages caused by accumulation, neglect, abuse, or failure to comply with the manufacturer's warranty. It also does not cover damages caused by natural disasters such as a fire or flooding, or furniture used in commercial settings.

[See full list of exclusions.](#)

6. How do I submit a claim?

You can submit a claim to Uniter on their website or app, or give them a call at the phone number listed on your Protection Plan certificate.

7. Will I have to pay a deductible?

Nope!
