To: Mayor Cates and Commissioners...

From: Allen Tidball
Key West

Please do not adopt another ordinance designed to sanitize Key West. It will be selectively enforced based on someone's determination as to what constitutes an eyesore or infraction. Airstream O.K.. But other models not.
If a person does not like to see someone else's boat or trailer...too bad. Find another leg to chew on.
Unless said boat or trailer poses a hazard health wise or danger...leave it alone.
Mind your own business and leave homeowners alone.

Thank you.
Allen Tidball
