KEY WEST, Fla., Feb. 14.—The change in dates for the giving of

concerts in Bayview park by the Key West band has met with popular favor, for last night, which was substituted for Sunday afternoon, a larger crowd was present than that which attended the afternoon concert.

No regular afternoon concerts are now given, though it is intended to give a concert next Sunday in lieu of the one for Monday evening, as Bayview park at that time will be used by the local Ku Klux Klan in conducting a ceremonial.

The klan has more than 200 can-

didates for membership to be acted on at the ceremonial. Before the affair is held in the park, the klansmen will give a parade, congregat-

ing at Fleming and Margaret streets and marching down Fleming to Duval, up Duval to Division and along Division to the park.
