City of Key West
Attention: Mr. Albert Childress, City Manager
1300 White Street
Key West, FL 33040

Dear Mr. Childress,

I would like to request permission to transfer my mobile vendor license, #493, to:

Michael Atkins
1042 Caribbean Drive E
Summerland Key, FL 33042

Unfortunately, I have recently developed a permanent medical condition that precludes me from utilizing the license. I am attaching a letter from the Veterans Administration that explains. I realize that I have only had the license for less than a year, and I can assure you that I never intended to keep it for such a short time, but fate apparently had other plans for me.

Sincerely,

Known to me

this 18th DAY OF MARCH 2024
