EXECUTIVE SUMMARY

TO: Jim Scholl, City Manager
Greg Veliz, Asst. City Manager

FROM: John Paul Castro, Utilities Director

DATE: May 2, 2018

SUBJECT: Extending the Master Agreement for Financial Services Pursuant to Section 6.1 of the Contract Between the City of Key West and Arcadis U.S., Inc. for 1 year

Action statement:

This resolution will extend the financial services agreement with Arcadis U.S., Inc. executed June 8, 2015 in response to RFQ 15-002 for 1 year. Pursuant to master agreement section 6.1, the contract term was for 3 years with yearly renewals for 2 additional years.

Background:

The City has a need for financial consulting firms to assist staff as we create our rate models for utility budgets in wastewater, stormwater, and solid waste. These firms help staff analyze rates, revenues, capital expenditures, budgetary planning, along with other tasks. They also assist with the utility budget presentations to the City Commission.

In April of 2015 the City advertised a request for qualifications for financial consultants. Arcadis U.S., Inc. responded and was awarded a 3 year contract based on the qualifications assessed by City staff.

Purpose and Justification:

Arcadis U.S., Inc. has been one of the City's financial consultants for over 7 years. They have been instrumental in modeling and planning for the City's utilities and enterprise funds.

Arcadis has satisfactorily complete rate models for Sewer in 2015 and 2016 and Stormwater and Solid Waste in 2015, 2016, 2017, and are contracted for 2018. They have also been tasked by Finance for indirect cost studies and Port for rate studies at Garrison Bight Marina to name a few.

The professionalism and performance from Arcadis has been outstanding and staff looks forward to having them on contract for financial consulting tasks for an additional year.

Key to the Caribbean – Average yearly temperature 77° F.

MEMORANDUM

This AGREEMENT made and entered into by and between the City of Key West, a municipal corporation of the State of Florida, whose address is 3126 Flagler Ave., Key West, Florida 33040, hereafter referred to as the "CITY" and Arcadis U.S., Inc., a corporation authorized to do business in the State of Florida, whose address is 8201 Peters Road, Suite 3400, Plantation, FL 33324, hereafter referred to as the "CONSULTANT". This agreement shall be effective on the date of execution of the last party to sign the AGREEMENT for the term specified in Paragraph 6.1.

Article 1. Scope of Services

The CONSULTANT'S primary responsibilities include, but are not limited to, providing financial consulting assistance in the creation of stormwater, sewer, and solid waste annual rate studies. Additional work may include capital financing support, financial and compliance reporting support, marinas economic consulting operations benchmarking or other consulting services which the CONSULTANT is qualified to provide and which the CITY authorizes the CONSULTANT to undertake in connection with the CITY's present and planned activities in the areas identified below. The specific services, which the CONSULTANT agrees to furnish, are set forth as follows:

- 1.1 Provide comprehensive financial consulting services that may include preparing utility rate models, budgets, and City Commission presentation documents, capital financing support, financial and compliance reporting support, special rate determination assistance (stormwater), operations benchmarking, auditing, analyzing City expenditures and resources, and assisting the CITY with other projects where financial consulting assistance is needed.

CONSULTANT shall provide the above-mentioned Scope of Services as tasked by the CITY for the projects specifically identified in RFQ No. 15-002, RFQ submission/proposal, and any other tasks as assigned under this scope. The terms that the CONSULTANT agrees to follow are set forth as follows:

- 2.1 The specific services to be provided by the CONSULTANT and the compensation for such services will be as mutually agreed to in separate Task Orders to this AGREEMENT. Each Task Order when fully executed shall become a supplement to and a part of this AGREEMENT.
- 2.2 Unless otherwise indicated in a Task Order, execution of a Task Order by the CITY shall constitute authorization for the CONSULTANT to proceed with the services enumerated in the Task Order. Each Task Order will be supported by appropriate cost and pricing data and such other documentation as required by the CITY.
- 2.3 Task Orders shall be numbered consecutively. Each Task Order shall include a description of the scope of services, time of completion, total estimated costs of services, and method of compensation. Additional information shall be provided to the CITY if required. Amended Task Orders shall include substantially the same information and be submitted to the CITY for approval.

- 2.4 The CITY may make or approve changes within the general Scope of Services in any Task Order. If such changes affect the CONSULTANT'S cost of or time required for performance of the services, an equitable adjustment will be made through an amendment to the Task Order.
- 2.5 A task order may be terminated at any time, with or without cause, by the CITY upon thirty (30) days written notice to CONSULTANT. No further work will be performed by CONSULTANT upon receipt of this notice unless specifically authorized by the General Services Dept. Director of the City of Key West.
- On termination, the CONSULTANT will be paid for all authorized services performed up to the termination date plus, if terminated for the convenience of the CITY, reasonable expenses incurred during the close-out of the Task Order. The CITY will not pay for anticipatory profits.
- 2.6 The CONSULTANT will provide ADDITIONAL SERVICES mutually agreed to and authorized by the CITY in writing but not specifically described and authorized by a Task Order.

Article 2. Compensation

As consideration for providing the services enumerated in Article 1 and supplemental Task Orders, the CITY shall pay the CONSULTANT fees as defined in each Task Order.

Field rates as identified in Exhibit A shall be applicable when the CONSULTANT'S employees are assigned to a field location for a continuous period exceeding 90 calendar days. Field location is defined as office space which is made available to CONSULTANT'S employees by the CITY at no cost to the CONSULTANT. Field rates shall be applied on the first day the CONSULTANT employee is assigned to a field location. Should the CONSULTANT'S employee assignment not exceed 90 continuous calendar days, CONSULTANT shall be permitted to retroactively reinvoice for the applicable field rate charges but based upon the CONSULTANT'S per diem rates.

The types of compensation methods which shall be used to pay for the CONSULTANT'S services are limited to the following:

 - B. In the event of a change of scope, an appropriate decrease or increase in compensation will be authorized in writing.

These rates are subject to fiscal year adjustments and shall be based on the Data Resources, Inc. (DRI) forecast of wage and price escalation. There shall be no rate increase until October 1, 2015.
- B. A budgetary amount will be established for each Task Order. This budgetary amount shall not be exceeded unless prior written approval is provided by the CITY. CONSULTANT will make reasonable efforts to complete the work within the budget and will keep CITY informed of progress toward that end so that the budget or work effort can be adjusted if found necessary.
- C. CONSULTANT is not obligated to incur costs beyond the indicated budgets, as may be adjusted, nor is CITY obligated to pay CONSULTANT beyond these limits.
- D. When any budget has been increased, CONSULTANT'S excess costs expended prior to such increase will be allowable to the same extent as if such costs had been incurred after the approved increase.
- E. The CITY shall pay for reimbursable expenses invoiced at the actual cost of expenditures incurred by the CONSULTANT. In those situations where receipts cannot be obtained, reimbursement requested must be supported by documents that show dates, parking meter numbers and locations, toll booth locations, and signature of employee. Travel, in connection with the work and for convenience of CONSULTANT (to make use of talent not located in Monroe County), shall be included in CONSULTANT'S Task Order. Travel requested by CITY'S AUTHORIZED REPRESENTATIVE and travel

EXECUTIVE SUMMARY

DATE: April 17, 2015

RE: Approval of Staff Ranking of Financial Consultants Responding to RFQ 15-002 and Authorization for the City Manager to Negotiate and Execute Contracts

ACTION STATEMENT:

This resolution will approve staff ranking of firms responding to RFQ 15-002: Financial Consulting Services; authorizing staff to negotiate contracts; authorizing the City Manager to enter into contracts with the selected firms.

BACKGROUND:

The City has a need for financial consulting firms to assist staff as we create our rate models for utility budgets in wastewater, stormwater, and solid waste. These firms help staff analyze rates, revenues, capital expenditures, budgetary planning, along with other tasks. They also assist with the utility budget presentations to the City Commission.

As the City has multiple projects of all sizes and disciplines simultaneously, it typically contracts with multiple consultants to handle the workload.

PURPOSE AND JUSTIFICATION:

City staff advertised a request for qualifications that had a bid opening on April 2. Staff has reviewed the responses for RFQ 15-002 from the following firms:

- Arcadis U.S., Inc
- Black and Veatch
- CDM Smith
- Raftelis Financial Consultants, Inc.
- Willdan Financial Services

Key to the Caribbean – Average yearly temperature 77° F.

The ranking committee consisted of city staff Michael Turner, Thaddeus Cohen, Karen Olsen, Elizabeth Ignaffo, and Marilyn Wilbarger which convened as advertised on April 23rd in public session at the City Clerk's conference room. The final rankings are as follows:

Company Rankings for RFQ #15-002 Financial Consultants

Ranking of Proposers					
Sewer/Stormwater			Solid Waste		
1	Arcadis	284	1	Arcadis	282
2	Black and Veatch	282	2	CDM Smith	281
3	Willdan	259	3	Willdan	259
4	Raftelis	226	4		

City staff ranked the firm's proposals on a 200 point scale for Stormwater/Wastewater, a 200 point scale for solid waste, and a 300 point scale for additional services, including capital financing support and special rate determination.

Staff has historically requested separate proposals for waste/stormwater and solid waste. The RFQ was split to allow firms who are more specialized to submit proposals on either discipline without submitting for both.

City staff is requesting City Commission approval of the evaluation ranking and authorization for the City Manager to negotiate and enter into a contract with the three (3) highest ranked firms. If negotiations fail to result in a contract, all proposals will be rejected and a new RFQ will be advertised.

Consultant contracts will be based on hourly rates and reimbursables as negotiated by the City Manager. Financial services will be awarded on a task order basis, pursuant to City ordinance purchasing guidelines.

OPTIONS / ADVANTAGES / DISADVANTAGES:

1. The City Commission can approve city staff ranking and authorize the City Manager to negotiate and execute contracts, based on rates of pay and reimbursable expenses to the three (3) highest ranked firms, which include Arcadis U.S., Inc, Black and Veatch, and CDM Smith. City staff will engage financial consultants on a task order basis. Arcadis U.S., Inc. has the ability to complete rate studies for solid waste, stormwater, and waste water. Both Black & Veatch and CDM Smith ranked highest in their respective disciplines giving the City the best option in each, should Arcadis U.S., Inc. be unavailable or should the City decide to split the work load.
2. The City Commission can approve city staff ranking and authorize the City Manager to negotiate and execute contracts based on rates of pay and reimbursable expenses to Arcadis U.S., Inc. and Willdan Financial Services as both companies scored within the top 3 in both sections of the RFQ. Black & Veatch would become the third highest ranking overall. This option gives the City two firms that can cover the three rate study disciplines, but eliminates CDM Smith who greatly outscored Willdan in the Solid Waste section of the RFQ evaluation.
3. The City Commission could disapprove staff ranking for the financial consultant RFQ. This would leave the City without financial consultants on contract. All services in need would have to be

formally advertised for each individual task. This creates large lead times for staff and is very costly.

FINANCIAL IMPACT:

There is no financial impact of approving any of the options listed above. Contracts will be executed after the resolution is passed and services requested on a task order basis.

RECOMMENDATION:

Staff recommends the City Commission choose option 1, approving the evaluation team ranking from city staff and allowing the City Manager to negotiate and execute contracts for financial services with Arcadis U.S., Inc, Black & Veatch, and CDM Smith. These three companies ranked far higher than the other firms in the two sections of the RFQ.
