Agenda 28

My name is Karen Adams and I have lived at 1124 Whitehead Street for 34 years. Please keep the Southernmost Buoy in the Duval Street Pocket Park. It is great for the businesses down there, no one is blocking the street, the city is doing a fantastic job maintaining the park, there is shade and seats for people to sit and our neighborhood is much cleaner and quieter! It's a win win situation.

Agenda 29

We don't need another plaza at the Southernmost Point. Build the wall, fix the drainage and don't make the streets any narrower than they already are! Place a sign similar to the one that used to be there before the buoy. This will save the city a few million dollars and that money can be used elsewhere.

Thank you,
Karen Adams
